JHA Solicitation No. PS-005-22
Physical Needs Assessment

Attachment D - Subcontractor List

The JHA (Jacksonville Housing Authority) requires bidders to identify subcontractors that have provided proposals for this bid and who may be considered if the contractor is the bid winner. The JHA realizes that firm commitments will not be made by the Contractor until after the Contractor is announced as the successful bidder. The subcontractors on the list may therefore be modified by the Contractor subject to review and approval by the JHA.
