

"Advising Owners on Multi-Family Housing Compliance and Financing Strategies"

About E&A

Since its establishment in 1992, E&A Services has:

- Become the leading expert in the field of accessibility solutions
- Become the nation's top accessibility site inspection firm, identifying out-of-compliance issues regarding ADA, Section 504 and Fair Housing Accessibility regulations on multifamily properties
- Led over 450 Fair Housing & Accessibility Seminars through its subsidiary company, Fair Housing Solutions
- Inspected over 350,000 dwelling units for handicapped accessibility compliance in every state
- Provided Blue Print Specification Reviews and analysis of accessibility issues that need to be corrected before construction begins
- Published the UFAS Pocket Edition which is now in its fifth printing
- Created the SourceAbility™ CD-ROM, one of the top accessibility tools in the industry for Architects, Contractors and Maintenance Personnel
- Completed Capital Needs Assessments (CNA's) in 38 states, making E&A a leader in the field of CNA providers for multifamily properties
- Conducted Fair Housing & Accessibility Seminars for many national organizations including:
 - National Association of Home Builders
 - National State Housing Finance Agencies
 - US Department of Housing & Urban Affairs
 - USDA Rural Development
 - US Department of Justice
