Goldfarb & Lipman offers legal services to our public agency clients at the following discounted rates

Partner	\$285-305
Senior Counsel	\$250-295
Associate	\$195-285
Law Clerk	\$130-165

For some specific types or portions of transactions, we are prepared to negotiate fixed fee arrangements.

Because of our extensive experience and knowledge, we have the ability to serve our clients promptly and efficiently, even when the exigencies of the transaction mean the available time for drafting and completing documents is short. In such cases (and also when otherwise appropriate to help reduce client costs) we assign additional junior staff, including associates and paralegals, to the project to ensure that our clients have a dedicated team working on their behalf to meet all funding and other requirements in a timely manner.

Goldfarb & Lipman does not charge for word processing services, general photocopying, or preparation of electronic or CD closing dockets. Reimbursable expenses will be charged in accordance with the requirements of the Authority.
