Are the inspection certificates for your facility's elevators, escalators, moving walkways, dumbwaiters, lifts, and their related equipment expired or due for renewal?

The Qualified Elevator Inspectors at **ATIS Elevator Inspections, LLC** deliver timely and reliable routine inspections and annual, 3-year, 5-year, and other test witnessing services. With integrity and professionalism, our Certified Inspectors provide thorough inspections for every customer. Their uncompromising commitment to follow and adhere to all applicable local, state, and federal safety codes and regulations ensures that facility managers and property owners receive the inspections needed for safe operation of their facility's moving conveyances.

ATIS Elevator Inspections, LLC is a wholly-owned division of American Testing and Inspection Services – an American-owned company, with Certified Elevator Inspectors licensed nationwide.

ATIS was founded on American ideals and has a simple mission to be America's premier elevator inspection business. These ideals guide everyday interactions with employees, customers, vendors, partners and the general public.

For the safety of our customers and the general public, we value continuing education and training of our inspectors, and we require thoroughness in following and adhering to all applicable safety codes and regulations.
