February 11, 2019

To whom it may concern:

I am writing this letter to recommend the staffing services of Talange Staffing Solutions.

Talange has assisted our company with filling temporary and permanent positions. These positions include, therapists, paraprofessionals, registered nurses, nurse practitioners, and administrative positions.

The staff at Talange is very knowledgeable of the needs of our industry and finds the perfect candidate to fill the position within a couple of days for temporary and a couple of weeks for permanent positions.

I strongly recommend the services of Talange and I am looking forward to the continued partnership with Talange to align our staffing needs with their professional candidates.

Sincerely,

*Vera Jackson*
