1.0 GENERAL CONDITIONS.

1.1 Applicability. If referred to within the text of such, these SIPC shall be applicable to all Requests For Qualifications (RFQ) solicitations that the Fresno Housing Authority (hereinafter, "the Agency") conducts and shall be applicable to any contract that the Agency awards to or signs with any firm, agency or individual pursuant to that RFQ. A copy of these SIPC shall be made available to any actual or prospective proposer, or Contractor who does business with or intends to do business with the Agency.

1.1.1 Unless otherwise specified within the RFQ or contract documents, in the event that any provision in any document listed herein conflicts with any provision within these SIPC, the provision in the RFQ or contract document shall govern. Further, in the case of any attached HUD forms (more specifically: HUD-5369-C (8/93); HUD-5369-B (8/93); and HUD-5370-C (10/2006), Section I and/or Section II), the information within such HUD form(s) shall govern any other information issued, especially that issued within any Agency-created forms that are issued as a part of this solicitation.

1.2 Definitions (pertaining to all RFQ documents issued by the Agency pertaining to this RFQ, including the attachments and the ensuing contract):

1.2.1 "Contracting Officer (CO)" when named within an RFQ document shall refer to either the ED or the person he/she has delegated such responsibilities to.

1.2.2 "Contract" refers to the fully executed written agreement that ensues from the RFQ. Whereas all RFQ documents are included, by reference, as a part

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

of the ensuing contract, when "contract" is referred to within the RFQ document, such is referring to both the RFQ documents and the ensuing contract document.

- 1.2.3 "Contractor" and the term "successful proposer" may be used interchangeably.
- 1.2.4 "Days" unless otherwise directed, shall refer to calendar days.
- 1.2.6 "ED" is the Agency Executive Director.
- 1.2.8 "Agency" is the Fresno Housing Authority. Unless otherwise defined herein or within the ensuing contract, whenever the term "the Agency" is used without clearly designating a responsible Agency staff person, the proposer(s) shall assume that responsibility for that item rests with the CO.
- 1.2.9 "HUD" is the United States Department of Housing and Urban Development. HUD is the Federal agency that the Agency receives some funding from; however, pertaining to this RFQ, correspondences, including proposal submittals, received from each proposer must exhaust all provisions contained herein prior to contacting HUD (i.e. in the case of a protest).
- 1.2.10 "Herein" shall refer to all documents issued pursuant to the noted RFQ, including the RFQ documents and the attachments.
- 1.2.11 "Offer" is the proposal submittal referred to within the following Section 1.2.14 that the proposer delivers to the Agency in response to the RFQ.
- 1.2.12 "Offeror" or "Offerors" are the proposer or proposers.
- 1.2.13 "Parties" - When "the parties," "both parties" or "either party" is stated within the RFQ documents or the contract, such refers to the Agency and the successful proposer(s).
- 1.2.14 "Proposal" and/or "Proposal Submittal" is the "hard copy" document that the proposer is required to, as detailed within the RFQ document, deliver to the Agency.
- 1.2.15 "Protestant" is a prospective proposer or proposer who feels that he/she has been treated inequitably by the Agency and wishes the Agency to correct

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

the inequitable condition or situation. To be eligible to file a protest with the Agency pertaining to an RFQ or contract, the protestant must have been involved in the RFQ process in some manner as a prospective proposer (i.e. registered and received the RFQ documents).

- 1.2.16 "Prospective Proposer" or "Proposer"** - A prospective proposer is a firm or individual who has been notified of the RFQ solicitation and/or who has requested and/or received the RFQ documents and is considering responding with a proposal; a proposer is a firm or individual who has submitted a proposal in response to the RFQ. All terms and conditions shall apply equally to all prospective proposers as well as proposers, though prospective proposers may not, after the deadline set for receiving proposals, receive further notices pertaining to that RFQ--meaning, certain notices (such as the Notice of Results of Evaluation) are typically only delivered to proposers and not to all prospective proposers.
- 1.2.17 "Request For Proposals" (RFQ)** is the competitive proposal process allowed by HUD, especially as defined within Chapter 7 of HUD Procurement Handbook 7460.8 REV 2.
- 1.2.18 "RFQ Document(s)"** - Whether stated in the singular or the plural, such refers to the body of documents, including attachments and the information posted on the nahro.economicengine.com Internet System (hereinafter, the "noted Internet System" or the "System"), that the Agency makes available to all prospective proposers wherein is detailed the Agency's requirements.
- 1.2.19 "Solicitation" or "Competitive Solicitation"** is the RFQ process detailed herein.

2.0 CONDITIONS TO PROPOSE.

- 2.1 Pre-Qualification of Proposers.** Prospective proposers will not be required to pre-qualify in order to submit a proposal. However, all proposers will be required to submit adequate information showing that the proposer is qualified to perform the required work (i.e. Profile of Firm Form and required resumes). Failure by the prospective proposer to provide the requested information may, at the Agency's discretion, eliminate that proposer from consideration, provided that all proposers were required to submit the same information (in the case of a successful proposer(s), these requirements shall also apply in the context of the successful proposer or proposers).

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

2.2 RFQ Forms, Documents, Specifications and Drawings.

- 2.2.1** It shall be each prospective proposer's responsibility to, prior to submitting a proposal in response to the RFQ, examine carefully and, as may be required, properly complete and submit all documents issued pursuant to this RFQ.
- 2.2.2** Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all of the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.
- 2.2.3** The Agency shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the RFQ documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual proposer. Such changes that are issued before the deadline for receipt of proposals shall be binding upon all prospective proposers. Such changes that are issued after the receipt of proposals, but prior to award shall be binding upon all parties that have submitted proposals; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her proposal. Such withdrawal must be delivered, in writing, to the CO within the 5-day deadline period.

2.3 Proposal Preparation, Submission and Receipt by the Agency.

- 2.3.1 Required Forms.** All required forms furnished by the Agency as a part of the RFQ document issued shall, as instructed, be fully completed and submitted by the proposer. Such forms may be completed in a legible hand-written fashion, by use of a typewriter, or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any fashion, the proposer must "edit" the form back to its original form (for example, signature lines must appear on the page the line was originally intended to be on).
- 2.3.2 Manner of Submission.** The proposal submittal shall be submitted in the manner detailed within the RFQ document. Failure to submit the proposal in the manner specified may result in a premature opening of, post-opening

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

of, or failure to open and consider that proposal, and may, at the discretion of the CO, eliminate that proposer from consideration for award.

2.3.3 Time for Receiving Proposals. Proposals received prior to the time set as the deadline for the receipt by the Agency of the proposal submittal shall be securely kept, unopened, by the Agency. The CO, whose duty it is to open such proposals, will decide when the specified time has arrived. No proposal received after the designated deadline shall be considered, except as detailed within Section 6 of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*.

2.3.3.1 Proposers are cautioned that any proposal submittal that may be time-stamped as being received by the Agency after the exact time set as the deadline for the receiving of proposals shall be returned unopened to the proposer. Any such proposals inadvertently opened shall not be considered, but shall be ruled to be invalid. No responsibility will attach to the Agency or any official or employee thereof, for the pre-opening of, or the failure to open a proposal not properly addressed and identified.

2.3.4 No Public Opening of Proposals. Pursuant to the competitive proposals or RFQ process, proposals are not publicly opened, but are held secure until the submittal deadline has passed. The proposals are then opened in private by the CO (or his/her designee) and are, pursuant to the evaluation plan, examined for minimal responsiveness (i.e. minimum compliance with the requirements of the RFQ). Persons other than Agency staff involved in this process are not allowed to be present during the opening, nor may they inspect the proposals until after award has been completed.

2.3.5 Withdrawal of Proposals. Proposals may be withdrawn as detailed within Section 6(h) of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*. Negligence on the part of the proposer in preparing his/her proposal confers no right of withdrawal or modification of his/her proposal after such proposal has been received and opened.

2.3.6 Conflicting Conditions. Any provisions detailed within any of the RFQ documents which may be in conflict or inconsistent with any of the paragraphs in any of the other RFQ documents, including attachments, shall be void to the extent of any such conflict or inconsistency. Further, as

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

stated within the preceding Section 1.1.1 of this SIPC, unless otherwise specified within the RFQ or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this SIPC, the provision in the RFQ or contract document shall govern.

2.3.7 Interpretations. No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this RFQ. Every request for an official interpretation shall be made by the prospective proposer, in writing, pursuant to the schedule set within the RFQ document issued and as directed by the Agency. Official interpretations will be issued in the form of addenda, which will be delivered to each proposer; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFQ documents and the proposed contract with the successful proposer, and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).

2.4 Exceptions to Specifications.

2.4.1 A proposer may take exception to any of the proposal documents or any part of the information contained therein, by submitting, in writing to the CO, at least 10 days prior to the proposal deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by the Agency will be issued in writing within 5 days of receipt of such exception request. The Agency reserves the right to agree with the prospective proposer and issue a revision to the applicable RFQ requirements, or may reject the prospective proposer's request.

2.4.2 When taking exception, prospective proposers must propose services that meet the requirements of the RFQ documents. Exceptions to the specification and/or approved "equal" requests may be discussed at the scheduled pre-proposal conference (if scheduled). All verbal instructions issued by the Agency officers not already listed within the RFQ documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB).

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

2.5.1 The Agency reserves the right to, at any time, request and receive from any or all proposers a LSCB of any or all of the costs proposed. The proposal documents constitute an outline of the work to be completed by the proposer. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the proposer in order to comply with the proposal documents in their present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

2.5.1.1 Purpose. The purpose of this LSCB will serve the Agency in two distinct areas:

2.5.1.1.1 Prior to award of Proposals. The Agency may request a LSCB for any or all items reflected within the RFQ document as “lump sum” for the purpose of determining an unbalanced cost proposal. The CO, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 After Award. The Agency may request a LSCB for any or all items reflected within the RFQ document as “lump sum” for the purpose of making partial payments to the successful proposer.

2.5.1.1.3 Increase/Decrease. Under no circumstances, may any cost item reflected as “lump sum” be increased/decreased as a result of the LSCB analysis.

3.0 PROPOSAL EVALUATION.

3.1 Proposal Opening Results. It is understood by all proposers/prospective proposers that the proposals received are not publicly opened and the results will typically not be a matter of public record until the Agency has concluded all evaluations, has chosen a final top-rated proposer, has completed the award and is ready to issue such results. When the Agency issues such notice, the Agency will inform all proposers as to each proposer’s placement as a result of the evaluation (i.e. 1st, 2nd, 3rd, etc.), the total points

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

each proposer was awarded as a result of the evaluation and the proposed costs submitted by each proposer.

3.1.1 All proposal documents submitted by the proposers are not necessarily a matter of public record and as a matter of normal course, the proposals submitted by each proposer will not, until after award has been completed, be available to be viewed by any interested parties except as approved by the Agency Legal Counsel (i.e. a proposer will not, prior to completion of award, be allowed to challenge an apparent top-rated proposer by inspecting the proposal that the apparent top-rated proposer submitted). The Agency shall, however, upon request, verify that the proposal documents submitted are/were acceptable.

3.2 Award of Proposal(s). The successful proposer shall be determined by the top-rated responsive and responsible proposer as determined by the evaluation process detailed within the RFQ document issued, provided his/her proposal is reasonable, he/she is able to deliver the specified items in a timely manner and it is, in the opinion of the Agency, to the best interests of the Agency to accept the proposal. All proposers will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of Proposals.

3.3.1 The Agency reserves the right, at any time during the proposal process, to reject any or all proposals received. In the case of rejection of all proposals, the Agency reserves the right to advertise for new proposals or to proceed to do the work otherwise, if in the judgment of the Agency, the best interest of the Agency will be promoted.

3.3.2 Prospective proposers acknowledge by downloading and receiving the RFQ documents and/or by submitting a proposal that the submission of a proposal to the Agency is not a right by which to be awarded that proposal, but merely an offer by the prospective proposer to perform the requirements of the RFQ documents in the event the Agency decides to consider an award to that proposer.

3.4 Cancellation of Award. The Agency reserves the right to, without any liability, cancel the award of any proposal(s) at any time before the execution of the contract documents by all parties.

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

3.5 Mistake in Proposal Submitted.

3.5.1 A request for withdrawal of a proposal due to a purported error need not be considered by the Agency unless the same is filed in writing by the proposer within 48 hours after the proposal deadline (proposers may of their own volition withdraw a proposal prior to the submittal deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by the Agency, be supported by the original calculations on which the proposal was computed, together with a certification and notarization thereon that such computation is the original and prepared by the proposer or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as the Agency retains the right to accept or reject any proposal withdrawal for a mistake.

3.5.2 Unless otherwise prohibited within the RFQ documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at the Agency's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the CO, for his/her review. This mistake must be corrected before the issuance of contract documents.

3.6 Irregular Proposal Submittal. A proposal shall be considered irregular for any one of the following reasons, any one or more of which may, at the Agency's discretion, be cause for rejection:

3.6.1 If the forms furnished by the Agency are not used or are altered or if the proposed costs are not submitted as required and where provided (especially within the noted Internet System).

3.6.2 If all requested completed attachments do not accompany the proposal submitted.

3.6.3 If there are unauthorized additions, conditional or alternate proposals, or irregularities of any kind which may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning or give the proposer submitting the same a competitive advantage over other proposers.

3.6.4 If the proposer adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

- 3.6.5 If the individual Pricing Items submitted by a specific proposer are unbalanced in the sense that the listed price of any cost item departs by more than 25% from the Agency's cost estimate for that item.
- 3.7 **Disqualification of Proposers.** Any one or more of the following shall be considered as sufficient for the disqualification of a proposer and the rejection of his/her proposal:
- 3.7.1 Evidence of collusion among prospective proposers. Participants in such collusion will receive no recognition as proposers for any future work of the Agency until such participant shall have been reinstated as a qualified proposer. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
- 3.7.2 More than one proposal for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by the Agency within the proposal documents issued, including by addendum.
- 3.7.3 Lack of competency, lack of experience and/or lack of adequate machinery, plant and/or other resources.
- 3.7.4 Documented unsatisfactory performance record as shown by past work for the Agency or with any other local, State or Federal agency, judged from the standpoint of workmanship and progress.
- 3.7.5 Incomplete work, which in the judgment of the Agency, might hinder or prevent prompt completion of additional work, if awarded.
- 3.7.6 Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
- 3.7.7 Failure to comply with any qualification requirement of the Agency.
- 3.7.8 Failure to list, if required, all subcontractors (if subcontractors are allowed by the Agency) who will be employed by the successful proposer(s) to complete the work of the proposed contract.

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

3.7.9 As required by the RFQ documents, failure of the successful proposer to be properly licensed by the State of California and/or to be insured by a general liability and/or worker's compensation policy.

3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of the Agency.

3.8 **Burden of Proof.** If requested by the Agency, it shall be the responsibility of the proposer(s) to furnish the Agency with sufficient data or physical samples, within a specified time, so that the Agency may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest.

4.1 **Rights.** Any prospective or actual proposer, offeror, or Contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved "protestant" is a prospective or actual proposer who feels that he/she has been treated inequitably by the Agency and wishes the Agency to correct the alleged inequitable condition or situation. To be eligible to file a protest with the Agency pertaining to an RFQ or contract, the alleged aggrieved protestant must have been involved in the RFQ process in some manner as a prospective proposer (i.e. registered and received the RFQ documents) when the alleged situation occurred. The Agency has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 **Administrative Powers.** It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 **Procedure to Protest.** An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve the Agency from accepting or considering that protest:

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

- 4.3.1** The alleged aggrieved protestant must file, in writing, to the CO the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the Agency or condition is being protested as inequitable, making, where appropriate specific reference to the RFQ documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve the Agency from any responsibility to consider the protest and take any corrective action.
- 4.3.2** The written instrument containing the reason for the protest must be received by the CO within 10 days after the occurrence of any of the following:
- 4.3.2.1** The deadline for receiving proposals;
 - 4.3.2.2** Receipt of notification of the results of the evaluation or the award; or
 - 4.3.2.3** The alleged aggrieved protestant knows or should have known the facts.
- 4.3.3** In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the proposal deadline). Protests received after these dates shall not be considered.
- 4.3.4** The CO shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.
- 4.3.5** **Administrative Appeal.** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the CO, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the CO request an administrative appeal hearing be granted (such request must be delivered in writing to the CO within 5 days of receipt of the written opinion and decision; failure to do so within such 5 days shall relieve the Agency of any responsibility to consider such request). The

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve the Agency from accepting or acting on that request for administrative hearing:

- 4.3.5.1** The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED, within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relieve the Agency of any responsibility to consider such request.
- 4.3.5.2** The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.
- 4.3.5.3** It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.
- 4.3.5.4** If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.
- 4.3.5.5** If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all proposals submitted and a copy of the original written protest, to the Agency Legal Counsel for consideration. The Agency Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

- 4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust the Agency internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges).

5.1 Procedures. In addition to the procedures detailed within Clause No. 7 of Attachment G-1, Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

5.1.1 The Agency's representative shall, within 10 days after the Agency's receipt of such billing, formally notify the Contractor's representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

5.1.2 If such dispute cannot be resolved by the Contractor's response, within 10 days after such notification is given, the CO and the Contractor's representative shall meet to discuss the matter and attempt to arrive at a resolution.

5.1.3 If the CO and the Contractor's representative are unable to resolve the dispute through such discussion within 10 days, the Agency shall, within 10 days thereafter, either:

5.1.3.1 Pay the disputed charges and reserve the right to submit the matter to the appropriate District Court in the State of California;

5.1.3.2 Not pay the disputed charge and submit the matter to the appropriate district court in the State of California;

5.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of California.

5.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to the Agency, the Agency shall pay the Agency's

Supplemental Instructions to Proposers & Contractors (SIPC)
(Attachment F)

receipt of the decision. If the decision is in favor of the Agency, the Contractor will either:

5.1.4.1 Clear the amount which is ordered from the Agency account; or

5.1.4.2 Repay to the Agency the amount ordered.

Either option shall be completed within 10 days after the Contractor's receipt of the arbitrator's decision.

- 5.2 Binding Arbitration/Dispute Resolution.** Any and all (material and non-material) disputes or controversies between the parties hereto involving either: (1) the construction or application of any of the terms, covenants or conditions of this Agreement or (2) otherwise arising in any respect with regard to this Agreement, or (3) relating to, arising out of, or resulting from either this Agreement, the performance of this Agreement, or the lack of performance of this Agreement, and/or (4) in any other manner relating to or involving this Agreement, shall not be litigated in any federal or state court or before any state, federal or administrative agency, but rather shall upon written request of one party served on the other be submitted and shall be solely and exclusively resolved by "final and binding" arbitration before a neutral retired Judge, which arbitration shall comply with and be governed by the provisions of the California Arbitration Act (CCP §§1280, et seq.) This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed.
