- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/ HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

1.0 GENERAL CONDITIONS.

- 1.1 **Applicability.** If referred to within the text of such, this SIBC shall be applicable to all maintenance- and construction-related Invitation for Bids (IFB) solicitations that the Charleston County Housing & Redevelopment Authority (hereinafter, "the Agency") conducts and shall be applicable to any contract that the Agency awards to or signs with any firm, agency or individual pursuant to that IFB. A copy of this SIBC shall be made available to any actual or prospective bidder, or Contractor who does business with or intends to do business with the Agency.
- 1.1.1 **HUD Forms.** Unless otherwise specified within the IFB or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this SIBC, the provision in the IFB or contract document shall govern. Further, in the case of any attached HUD forms, most specifically: HUD-5369-A (11/92); HUD-5369 (10/2002); HUD-5370 (1/2014), the information within such HUD form(s) shall govern over any other information issued, especially any information issued within any Agency-created forms that are issued as a part of this solicitation.
- 1.2 **Definitions** (pertaining to all IFB documents issued by the Agency pertaining to this IFB, including the attachments and the ensuing contract):
- 1.2.1 **"Agency"** is the Charleston County Housing & Redevelopment Authority. Whereas all IFB documents are included, by reference, as a part of the ensuing contract, when "contract" is referred to within the IFB documents such is referring to both the IFB documents and the ensuing contract document.
- 1.2.3 **"Contracting Officer (CO)"** - When named within an IFB document shall refer to either the ED or the person he/she has delegated such responsibilities to.
- 1.2.4 **"Contractor"** and the term "successful bidder" may be used interchangeably.

2.0 CONDITIONS TO BID.

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

- 2.1 Pre-qualification of Bidders.** Prospective bidders will not be required to pre-qualify in order to submit a bid. However, all bidders will be required to submit adequate information showing that the bidder is qualified to perform the required work (i.e., Profile of Firm Form and required resumes). Failure by the prospective bidder to provide the requested information may, at the Agency's discretion, eliminate that bidder from consideration, provided that all bidders were required to submit the same information as a part of the IFB process (in the case of a successful bidder(s), these requirements shall also apply in the context of the successful bidder or bidders).
- 2.2 IFB Forms, Documents, Specifications, and Drawings.**
- 2.2.1** It shall be each prospective bidder's responsibility to, prior to submitting a bid in response to the IFB, examine carefully and as may be required, properly complete and submit all documents issued pursuant to this IFB.
- 2.2.2** Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.
- 2.2.3** The Agency shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the IFB documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual bidder. Such changes that are issued before the deadline for receipt of bids shall be binding upon all prospective bidders. Such changes that are issued after the receipt of bids, but prior to award shall be binding upon all parties that have submitted bids; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her bid. Such withdrawal must be delivered, in writing, to the CO within the 5-day deadline period.
- 2.3 Bid Preparation, Submission, and Receipt by the Agency.**
- 2.3.1 Required Forms.** All required forms furnished by the Agency as a part of the IFB document issued shall, as instructed, be fully completed, and submitted, by the bidder. Such forms may be completed in a legible hand-written fashion, by use of a typewriter, or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any fashion, the bidder must "edit" the form back to its original form (for example, signature lines must appear on the page the line was originally intended to be on).
- 2.3.1 Manner of Submission.** The bid submittal shall be submitted in the manner detailed within the IFB document. Failure to submit the bid in the manner specified may result in a premature opening of, post-opening of, or failure to

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

open and consider that bid, and may, at the discretion of the CO, eliminate that bidder from consideration for award.

- 2.3.2 Time for Receiving Bids.** Bids received prior to the time set as the deadline for the receipt by the Agency of the bid submittal shall be securely kept, unopened, by the Agency. The CO, whose duty it is to open such bids, will decide when the specified time has arrived. No bid received after the designated deadline shall be considered, except as detailed within Section No. 6 of form HUD-5369-B, *Instructions to Offerors Non-Construction (8/93)* (pertaining to non-construction-related issues), or Section No. 5 of form HUD-5369 (10/2002), *Late Submissions, Modifications and Withdrawal of Bids* (pertaining to construction-related issues), each form attached hereto.
- 2.3.3.1** Bidders are cautioned that any bid submittal that may be time-stamped as being received by the Agency after the exact time set as the deadline for the receiving of bids shall be returned unopened to the bidder. Any such bids inadvertently opened shall not be considered but shall be ruled to be invalid. No responsibility will attach to the Agency or any official or employee thereof, for the pre-opening of, or the failure to open a bid not properly addressed and identified.
- 2.3.4 Public Opening of Bids.** Pursuant to the IFB process, bids shall be publicly opened at the day and time published in the IFB documents. At the bid opening, only the name of the company and the pertinent cost information will be read aloud (for instance, in the case of bids with multiple line items in a number that it is not realistic to read all item, only the actual or calculated total may be read. The full determination of responsiveness (i.e., minimum compliance with the requirements of the IFB) and responsibility will be conducted by an Agency official in private after the public bid opening. Persons other than Agency staff involved in this process are not allowed to be present during the responsive and responsibility evaluations, nor may they inspect the bids until after award has been completed.
- 2.3.5 Withdrawal of Bids.** Bids may be withdrawn as detailed within Section No. 6 of form HUD-5369-B, *Instructions to Offerors Non-Construction (8/93)* (pertaining to non-construction-related issues), or Section No. 5 of form HUD-5369 (10/2002), *Late Submissions, Modifications and Withdrawal of Bids* (pertaining to construction-related issues), each form attached hereto. Negligence on the part of the bidder in preparing his/her bid confers no right of withdrawal or modification of his/her bid after such bid has been received and opened.
- 2.3.6 Conflicting Conditions.** Any provisions detailed within any of the IFB documents which may be in conflict or inconsistent with any of the paragraphs in any of the other IFB documents, including attachments, shall be void to the extent of any such conflict or inconsistency. Further, as stated within Section

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

1.1.1 of this SIBC, unless otherwise specified within the IFB or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this SIBC, the provision in the IFB or contract document shall govern.

2.3.7 Interpretations. No official oral interpretation can be made to any bidder as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this IFB. Every request for an official interpretation shall be made by the prospective bidder, in writing, pursuant to the schedule set within the IFB document issued and as directed by the Agency. Official interpretations will be issued in the form of addenda, which will be delivered to each bidder; but it shall be the prospective bidder's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the IFB documents and the proposed contract with the successful bidder and all bidders shall be bound by such addenda, whether or not received by the prospective or successful bidder(s).

2.4 Exceptions to Specifications.

2.4.1 A bidder may take exception to any of the bid documents, or any part of the information contained therein, by submitting, in writing to the CO, at least 10 days prior to the bid deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by the Agency will be issued in writing within 5 days of receipt of such exception request. The Agency reserves the right to agree with the prospective bidder and issue a revision to the applicable IFB requirements or may reject the prospective bidder's request.

2.4.2 When taking exception, prospective bidders must bid services that meet the requirements of the IFB documents. Exceptions to the specification and/or approved "equal" requests may be discussed at the scheduled pre-bid conference (if scheduled). All verbal instructions issued by the Agency officers not already listed within the IFB documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB).

2.5.1 The Agency reserves the right to, at any time, request and receive from any or all bidders a LSCB of any or all the costs bid. The bid documents constitute an outline of the work to be completed by the bidder. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the bidder in order to comply with the bid documents in their present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

2.5.1.1 The purpose of this LSCB will serve the Agency in two distinct areas:

2.5.1.1.1 **Prior to award of Bids.** The Agency may request a LSCB for any or all items reflected within the IFB document as “lump sum” for the purpose of determining an unbalanced cost bid. The CO, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 **After Award.** The Agency may request a LSCB for any or all items reflected within the IFB document as “lump sum” for the purpose of making partial payments to the successful bidder.

2.5.1.1.3 **Increase/Decrease.** Under no circumstances, may any cost item reflected as “lump sum” be increased and/or decreased as a result of the LSCB analysis.

3.0 BID EVALUATION.

3.1 **Bid Opening Results.** It is understood by all bidders/prospective bidders that the bids received will be publicly opened and read aloud and the results will immediately be a matter of public record; meaning, the Agency will record all bids on a bid tabulation form and make such tabulation available to any person upon request.

3.1.1 **Bid documents** submitted by the bidders shall not be a matter of public record until after award has been completed. The Agency shall, however, upon request, verify that the bid documents submitted are/were acceptable.

3.2 **Award of Bid(s).** The successful bidder shall be determined as the responsive and responsible bidder who submits the lowest actual or calculated cost as detailed with the IFB, as long as he/she is able to deliver the specified items in a timely manner and it is, in the opinion of the Agency, to the best interests of the Agency to accept the bid. All bidders will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of Bids.

3.3.1 The Agency reserves the right to, at any time during the bid process, reject any or all bids received. In the case of rejection of all bids, the Agency reserves the right to advertise for new bids or to proceed to do the work

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

otherwise, if in the judgment of the Agency, the best interest of the Agency will be promoted.

- 3.3.2** Prospective bidders acknowledge by downloading and receiving the IFB documents and/or by submitting a bid that the submission of a bid to the Agency is not a right by which to be awarded that bid, but merely an offer by the prospective bidder to perform the requirements of the IFB documents in the event the Agency decides to consider an award to that bidder.
- 3.4 Cancellation of Award.** The Agency reserves the right to, without any liability, cancel the award of any bid(s) at any time before the execution of the contract documents by all parties.
- 3.5 Mistake in Bid Submitted.**
- 3.5.1** A request for withdrawal of a bid due to a purported error need not be considered by the Agency unless the same is filed in writing by the bidder within 48 hours after the bid deadline (bidders may of their own volition withdraw a bid prior to the bid deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by the Agency, be supported by the original calculations on which the bid was computed, together with a certification and notarization thereon that such computation is the original and prepared by the bidder or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as the Agency retains the right to accept or reject any bid withdrawal for a mistake.
- 3.5.2** Unless otherwise prohibited within the IFB documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at the Agency's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the CO, for his/her review. This mistake must be corrected before the issuance of contract documents.
- 3.6 Irregular Bid Submittal.** A bid shall be considered irregular for any one of the following reasons, any one or more of which may, at the Agency 's discretion, be cause for rejection:
- 3.6.1** If the forms furnished by the Agency are not used or are altered or if the bid costs are not submitted as required and where provided (especially within the eProcurement Marketplace).
- 3.6.2** If all requested completed attachments do not accompany the bid submitted.
- 3.6.3** If there are unauthorized additions, conditional or alternate bids, or irregularities of any kind which may tend to make the bid incomplete,

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

indefinite or ambiguous as to its meaning or give the bidder submitting the same a competitive advantage over other bidders.

- 3.6.4 If the bidder adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.
- 3.6.5 If the individual Pricing Items submitted by a specific bidder are unbalanced in the sense that the listed price of any cost item departs by more than 25% from the Agency's cost estimate for that item.
- 3.7 **Disqualification of Bidders.** Any one or more of the following shall be considered as sufficient for the disqualification of a bidder and the rejection of his/her bid:
 - 3.7.1 Evidence of collusion among prospective or actual bidders. Participants in such collusion will receive no recognition as bidders or bidders for any future work of the Agency until such participant shall have been reinstated as a qualified bidder or bidder. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
 - 3.7.2 More than one bid for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by the Agency within the bid documents issued, including by addendum.
 - 3.7.3 Lack of competency, lack of experience and/or lack of adequate machinery, plant, and/or other resources.
 - 3.7.4 Documented unsatisfactory performance record as shown by past work for the Agency or with any other local, State, or Federal agency, judged from the standpoint of workmanship and progress.
 - 3.7.5 Incomplete work, which in the judgment of the Agency, might hinder or prevent prompt completion of additional work, if awarded.
 - 3.7.6 Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
 - 3.7.7 Failure to comply with any qualification requirement of the Agency.
 - 3.7.8 Failure to list, if required, all subcontractors (if subcontractors are allowed by the Agency) who will be employed by the successful bidder(s) to complete the work of the bid contract.
 - 3.7.9 As required by the IFB documents, failure of the successful bidder to be properly licensed by the State of South Carolina and/or to be insured by a general liability and/or worker's compensation policy.

REQUEST FOR PROPOSAL (RFP) 22-R012, MECHANICAL PLUMBING SERVICES

Supplemental Instructions to Bidders & Contractors (SIBC) Maintenance, with Construction option - (IFB Attachment F)

3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of the Agency.

3.8 **Burden of Proof.** If requested by the Agency, it shall be the responsibility of the bidder(s) to furnish the Agency with sufficient data or physical samples, within a specified time, so that the Agency may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest.

4.1 **Rights.** Any prospective or actual bidder, offeror, or Contractor who is allegedly aggrieved in connection with the solicitation of a bid or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved “protestant” is a prospective or actual bidder who feels that he/she has been treated inequitably by the Agency and wishes the Agency to correct the alleged inequitable condition or situation. To be eligible to file a protest with the Agency pertaining to an IFB or contract, the alleged aggrieved protestant must have been involved in the IFB process in some manner as a prospective bidder (i.e., registered and received the IFB documents) when the alleged situation occurred. The Agency has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 **Administrative Powers.** It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 **Procedure to Protest.** An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve the Agency from accepting or considering that protest:

4.3.1 The alleged aggrieved protestant must file, in writing, to the CO the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the Agency or condition is being protested as inequitable, making, where appropriate specific reference to the IFB documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve the Agency from any responsibility to consider the protest and take any corrective action.

4.3.2 The written instrument containing the reason for the protest must be received by the CO within 10 days after the occurrence of any of the following:

6.0 Additional Considerations.

6.1 Right of Joinder.

6.1.1 Any political subdivision within the State of South Carolina may be granted the privilege of joining the awarded contract, only at the option of the successful bidder. If the successful bidder so grants such a privilege, the terms, and conditions, of the IFB documents, including the ensuing contract, may be passed on to the joining political subdivision by the successful bidder.

6.1.2 The successful bidder shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded contract. In the event the successful bidder allows another political subdivision to join the Agency contract, it is expressly understood that the Agency shall in no way be liable for the joining political subdivision obligations to the successful bidder in any manner whatsoever.

6.2 **Non-escalation.** Unless otherwise specified within the IFB documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

6.3 **Funding Restrictions and Order Quantities.** The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:

6.3.1 Funding is not available; or,

6.3.2 Legal restrictions are placed upon the expenditure of monies for this category of service or supplies; or,

6.3.3 The Agency's requirements in good faith change after award of the contract.

6.4 **Required Permits.** Unless otherwise stated in the IFB documents, all local, State, or Federal permits which may be required to provide the services ensuing from award of this IFB, whether or not they are known to either the Agency or the bidders at the time

- 6.5 Taxes.** All persons doing business with the Agency are hereby made aware that the Agency is exempt from paying South Carolina State Sales and Use Taxes and Federal Excise Taxes. A Letter of Tax Exemption will be provided upon request.
- 6.6 Government Standards.** It is the responsibility of the prospective bidder to ensure that all items and services bid conform to all local, State, and Federal laws concerning safety (OSHA) and environmental control (EPA and South Carolina DEP) and any other enacted ordinance, code, law, or regulation. The successful bidder shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law, or regulation. No time extensions shall be granted, or financial consideration given, to the successful bidder for time or monies lost due to violations of any such ordinance, code, law, or regulations that may occur.
- 6.7 Freight on Bill and Delivery.** All costs submitted by the successful bidder shall reflect the cost of delivering the bidded items and/or services to the location(s) specified within the IFB documents or within the contract.
- 6.7.1** The successful bidder agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the successful bidder. Upon default, the successful bidder agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.
- 6.8 Communication.** If during the period of the contract, it is necessary that the Agency place toll or long-distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful bidder will bear the charge or expense for all such calls and/or telegrams.
- 6.9 Work on Agency Property.** If the successful bidder's work under the contract involves operations by the successful bidder on Agency premises, the successful bidder shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the Agency's negligence, shall indemnify the Agency, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the successful bidder, its agents, employees, or subcontractors.
- 6.10 Estimated Quantities.** Unless otherwise indicated within the IFB documents, the quantities reflected within the IFB documents, to the best of the Agency's knowledge, reflect projected consumption data. These quantities are not meant to infer or imply actual consumption figures or quantities that will be purchased by the Agency under the finalized contract; but, pursuant to all IFB documents, these quantities will be used as calculation figures to determine the successful bidder.

The amount so allowed as attorneys' fees shall be taxed to the losing party as costs of the suit, unless prohibited by law.

6.16 **Independent Contractor.** Unless otherwise stated within the IFB documents or the contract, the successful bidder is an independent Contractor. Nothing herein shall create any association, agency, partnership, or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.

- 6.18 Waiver of Breach.** A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.
- 6.19 Time of the Essence.** Time is of the essence under this agreement as to each provision in which time of performance is a factor.
- 6.20 Limitation of Liability.** In no event shall the Agency be liable to the successful bidder for any indirect, incidental, consequential, or exemplary damages.
- 6.21 Indemnity.**
- 6.21.1** The successful bidder shall protect, indemnify and hold the Agency, its officers, employees, agents, consulting engineers and other retained consultants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character which the Agency, its officers, employees, agents, consulting engineers or other retained consultants may suffer, or which may be sought against, recovered from or obtainable against the Agency, its officers, employees, agents, consulting engineers or other retained consultants such as:
- 6.21.1.1** as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act on the part of the successful bidder, its subcontractors or agents, or anyone directly or indirectly employed by any subcontractor or agent, in the fulfillment or performance of the terms, conditions or covenants that are contained in this contract or agreement, regardless of whether or not the occurrence which gave rise to such claim, damage, loss, suit, action, judgment or expense was caused, in part, by any party indemnified hereunder; or
- 6.21.1.2** as a result of, or by reason of, or arising out of, or on account of, or in consequence of, any neglect in safeguarding the work; or
- 6.21.1.3** through the use of unacceptable materials or products, or both, which may be defective or manufactured, designed, or installed so as to give rise to a claim; or

or decree, which claim, or recovery, arose out of or is attributable to any act or failure to act on the part of the successful bidder in the fulfillment or performance of the terms, conditions and covenants that are contained in this contract. Any money due by the successful bidder under and by virtue of this contract which is considered necessary by the Agency for such purpose, may be retained by the Agency for its protection; or in case no money is due, its surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees and court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect furnished to the Agency provided, however, that money due the successful bidder will not be withheld when the successful bidder produces satisfactory evidence that it is adequately protected by public liability and property damage insurance, if required.

6.21.2 In this connection, it is expressly agreed that the successful bidder shall, at its own expense, defend the Agency, its officers, employees, agents, consulting engineers and other retained consultants, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the successful bidder has indemnified the Agency, its officers, employees, agents, consulting engineers and other retained consultants against, and if the successful bidder shall fail to do so, the Agency shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the successful bidder including attorney's fees and court costs; provided, however, that if the forum in which such claim suit or action is heard determines that the occurrence that gave rise to the same was caused, in whole or in part, by any party who is indemnified hereunder, the Agency shall reimburse the successful bidder for all, or the indemnified party's proportionate share, as the case may be, of the costs of such defense.

6.21.2 Reimbursement to the successful bidder by the Agency, in whole or in part, for the costs of protecting traffic shall not serve to relieve the successful bidder of its responsibility as set forth in the IFB documents.

6.21.3 The successful bidder guarantees the payment of all just claims for materials, supplies and labor, and all other just claims against it or any subcontractor, in connection with the contract.

The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).

4. Default

- (a) If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with the diligence that will insure its completion within the time specified in this contract, or any extension thereof, or fails to complete said work within this time, the Contracting Officer may, by written notice to the Contractor, terminate the right to proceed with the work (or separable part of the work) that has been delayed. In the event, the PHA may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the PHA resulting from the Contractor's refusal or failure to complete the work within the specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred

- (b) The Contractor's right to proceed shall not be terminated or the Contractor charged with damages under this clause if —
 - (1) The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor; and
 - (2) The Contractor, within 10 days from the beginning of such delay notifies the Contracting Officer in writing of the causes of delay. The Contracting Officer shall ascertain the facts and the extent of the delay. If, in the judgment of the Contracting Officer, the findings of Fact warrant such action, time for completing the work shall be extended by written modification to the contract. The findings of the Contracting Officer shall be reduced to a written decision which shall be subject to the provisions of the **Disputes** clause of this contract
- (c) If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligation of the parties will be the same as if the termination had been for convenience of the PHA.

5. Termination for Convenience

- (a) The Contracting Officer may terminate this contract in whole, or in part, whenever the Contracting Officer determines that such termination is in the best interest of the PHA. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which the performance of the work under the contract is terminated, and the date upon which such termination becomes effective.
- (b) If the performance of the work is terminated, either in whole or in part, the PHA shall be liable to the Contractor for reasonable and proper costs resulting from such termination upon the receipt by the PHA of a properly presented claim setting out in detail: (1) the total cost of the work performed to date of termination less the total amount of contract payments made to the Contractor; (2) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, payment for which has not been made by the PHA to the Contractor or by the Contractor to the subcontractor or supplier; (3) the cost of preserving and protecting the work already performed until the PHA or assignee takes possession thereof or assumes responsibility therefore; (4) the actual or estimated cost of legal and accounting services reasonably necessary to prepare and present the termination claim to the PHA; and (5) an amount constituting a reasonable profit on the value of the work performed by the Contractor.
- (c) The Contracting Officer will act on the Contractor's claim within days (60 days unless otherwise indicated) of receipt of the Contractor's claim.
- (d) Any disputes with regard to this clause are expressly made subject to the provisions of the Disputes clause of this contract

6. Insurance

- (a) Before commencing work, the Contractor and each subcontractor shall furnish the PHA with certificates of insurance showing the following insurance is in force and will insure all operations under the Contract.

(1) Workers' Compensation, in accordance with state or Territorial Workers' Compensation laws.

(2) Commercial General Liability with a combined single limit for bodily injury and property damage of not less than \$ _____ [Contracting Officer insert amount] per occurrence to protect the Contractor and each subcontractor against claims for bodily injury or death and damage to the property of others. This shall cover the use of all equipment, hoists, and vehicles on the site(s) not covered by Automobile Liability under (3) below. If the Contractor has a "claims-made" policy, then the following additional requirements apply: the policy must provide a "retroactive date" which must be on or before the execution date of the Contract; and the extended reporting period may not be less than five years following the completion date of the Contract

(3) Automobile Liability on owned and non-owned motor vehicles used on the site(s) or in connection therewith for a combined single limit for bodily injury and property damage of not less than \$ _____ [Contracting Officer insert amount] per occurrence.

(b) Before commencing work, the Contractor shall furnish the PHA with a certificate of insurance evidencing that Builder's Risk (fire and extended coverage) Insurance on all work in place and/or materials stored at the building site(s), including foundations and building equipment, is in force. The Builder's Risk Insurance shall be for the benefit of the Contractor and the PHA as their interests may appear and each shall be named in the policy or policies as an insured. The Contractor in installing equipment supplied by the PHA shall carry insurance on such equipment from the time the Contractor takes possession thereof until the Contract work is accepted by the PHA. The Builder's Risk Insurance need not be carried on excavations, piers, footings, or foundations until such time as work on the superstructure is started. It need not be carried on landscape work. Policies shall furnish coverage at all times for the full cash value of all completed construction, as well as materials in place and/or stored at the site(s), whether or not partial payment has been made by the PHA. The Contractor may terminate this insurance on buildings as of the date taken over for occupancy by the PHA. The Contractor is not required to carry Builder's Risk Insurance for modernization work which does not involve structural alterations or additions and where the PHA's existing fire and extended coverage policy can be endorsed to include such work.

(c) All insurance shall be carried with companies which are financially responsible and admitted to do business in the State in which the project is located. If any such insurance is due to expire during the construction period, the Contractor (including subcontractors, as applicable) shall not permit the coverage to lapse and shall furnish evidence of coverage to the Contracting Officer. All certificates of insurance, as evidence of coverage, shall provide that no coverage may be canceled or non-renewed by the insurance company until at least 30 days prior written notice has been given to the Contracting Officer.

7. Contract Modifications

- (a) Only the Contracting Officer has authority to modify any term or condition of this contract. Any contract modification shall be authorized in writing.
- (b) The Contracting Officer may modify the contract unilaterally (1) pursuant to a specific authorization stated in a contract clause (e.g., Changes); or (2) for administrative matters which

do not change the rights or responsibilities of the parties (e.g., change in the PHA address). All other contract modifications shall be in the form of supplemental agreements signed by the Contractor and the Contracting Officer.

(c) When a proposed modification requires the approval of HUD prior to its issuance (e.g., a change order that exceeds the PHA's approved threshold), such modification shall not be effective until the required approval is received by the PHA.

8. Changes

(a) The Contracting Officer may, at any time, without notice to the sureties, by written order designated or indicated to be a change order, make changes in the work within the general scope of the contract including changes:

(1) In the specifications (including drawings and designs);

(2) In the method or manner of performance of the work;

(3) PHA-furnished facilities, equipment, materials, services, or site; or,

(4) Directing the acceleration in the performance of the work (b) Any other written order or oral order (which, as used in this paragraph (b), includes direction, instruction, interpretation, or determination) from the Contracting Officer that causes a change shall be treated as a change order under this clause; provided, that the Contractor gives the Contracting Officer written notice stating (1) the date, circumstances and source of the order and (2) that the Contractor regards the order as a change order.

(c) Except as provided in this clause, no order, statement or conduct of the Contracting Officer shall be treated as a change under this clause or entitle the Contractor to an equitable adjustment.

(d) Many change under this clause causes an increase or decrease in the Contractor's cost of, or the time required for the performance of any part of the work under this contract, whether or not changed by any such order, the Contracting Officer shall make an equitable adjustment and modify the contract in writing. However, except for an adjustment based on defective specifications, no proposal for any change under paragraph (b) above shall be allowed for any costs incurred more than 20 days (5 days for oral orders) before the Contractor gives written notice as required. In the case of defective specifications for which the PHA is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with the defective specifications.

(e) The Contractor must assert its right to an adjustment under this clause within 30 days after (1) receipt of a written change order under paragraph (a) of this clause, or (2) the furnishing of a written notice under paragraph (b) of this clause, by submitting a written statement describing the general nature and the amount of the proposal. If the facts justify it, the Contracting Officer may extend the period for submission. The proposal may be included in the notice required under paragraph (b) above. No proposal by the Contractor for an equitable adjustment shall be allowed if asserted after final payment under this contract

(f) The Contractor's written proposal for equitable adjustment shall be submitted in the form of a lump sum proposal supported with an itemized breakdown of all increases and decreases in the contract in at least the following details:

(1) Direct Costs. Materials (list individual items, the quantity and unit cost of each, and the aggregate cost); Transportation and delivery costs associated with materials; Labor

breakdowns by hours or unit costs (identified with specific work to be performed); Construction equipment exclusively necessary for the change; Costs of preparation and/ or revision to shop drawings resulting from the change; Worker's Compensation and Public Liability Insurance; Employment taxes under FICA and FUTA; and, Bond Costs - when size of change warrants revision.

- (2) Indirect Costs. Indirect costs may include overhead, general and administrative expenses, and fringe benefits not normally treated as direct costs.
- (3) Profit. The amount of profit shall be negotiated and may vary according to the nature, extent, and complexity of the work required by the change.

The allowability of the direct and indirect costs shall be determined in accordance with the Contract Cost Principles and Procedures for Commercial Firms in Part 31 of the Federal Acquisition Regulation (48 CFR 1-31), as implemented by HUD Handbook 2210.18, in effect on the date of this contract. The Contractor shall not be allowed a profit on the profit received by any subcontractor. Equitable adjustments for deleted work shall include a credit for profit and may include a credit for indirect costs. On proposals covering both increases and decreases in the amount of the contract, the application of indirect costs and profit shall be on the net-change in direct costs for the Contractor or subcontractor performing the work

- (g) The Contractor shall include in the proposal its request for time extension (if any), and shall include sufficient information and dates to demonstrate whether and to what extent the change will delay the completion of the contract in its entirety.
- (h) The Contracting Officer shall act on proposals within 30 days after their receipt, or notify the Contractor of the date when such action will be taken.
- (i) Failure to reach an agreement on any proposal shall be a dispute under the clause entitled Disputes herein. Nothing in this clause, however, shall excuse the Contractor from proceeding with the contract as changed.
- (j) Except in an emergency endangering life or property, no change shall be made by the Contractor without a prior order from the Contracting Officer.

9. Examination and Retention of Contractor's Records

The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until three years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

10. Rights in Data and Patent Rights (Ownership and Proprietary Interest)

- (a) In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.
- (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract

13. Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 75)

- (a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 75, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 prioritization requirements, and shall state the minimum percentages of labor hour requirements established in the Benchmark Notice (FR-6085-N-04).

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75.
- (e) Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- (f) Contracts, subcontracts, grants, or subgrants subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) or subject to tribal preference requirements as authorized under 101(k) of the Native American Housing Assistance and Self-Determination Act (25 U.S.C. 4111(k)) must provide preferences in employment, training, and business opportunities to Indians and Indian organizations, and are therefore not subject to the requirements of 24 CFR Part 75.

14. Labor Standards - Davis-Bacon and Related Acts

(a) Minimum Wages.

(1) All laborers and mechanics employed under this contract in the construction or development of the project(s) involved will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the regular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits in the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its subcontractors at the site of the work in

a prominent and accessible place where it can be easily seen by the workers.

- (2) (i) Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when all the following criteria have been met:
 - (a) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
 - (b) The classification is utilized in the area by the construction industry; and
 - (c) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- (ii) If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employee Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.
- (iii) In the event the Contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator of the Wage and Hour Division for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.
- (iv) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (a)(2)(ii) or (iii) of this clause shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.
- (3) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
- (4) If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program; *provided*, that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(b) Withholding of Funds. HUD or its designee shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the Contractor under this contract or any other Federal contract with the same prime Contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working in the construction or development of the project, all or part of the wages required by the contract, HUD or its designee may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the Contractor, disburse such amounts withheld for and on account of the Contractor or subcontractor to the respective employees to whom they are due.

(c) Payrolls and Basic Records.

(1) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working in the construction or development of the project. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made, and actual wages paid. Whenever the Secretary of Labor has found, under 29 CFR 5.5(a)(1)(iv), that the wages of any laborer or mechanic include the amount of costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of

the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

- (2) (i) The Contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Contracting Officer for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under subparagraph (c)(1) of this clause. This information may be submitted in any form desired. Optional Form WH-347 (Federal Stock Number 029-005-00014-1) is available for this purpose and may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The prime Contractor is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and Budget under OMB Control Number 1214-0149.)
- (ii) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
- (A) That the payroll for the payroll period contains the information required to be maintained under paragraph (c)(1) of this clause and that such information is correct and complete;
- (B) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3; and
- (C) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract
- (iii) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirements for submission of the "Statement of Compliance" required by subparagraph (c)(2)(ii) of this clause.
- (iv) The falsification of any of the above certifications may subject the Contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 3729 of Title 31 of the United States Code.
- (3) The Contractor or subcontractor shall make the records required under subparagraph (c)(1) available for inspection, copying, or transcription by authorized representatives of HUD or its designee, the Contracting Officer, or the Department of Labor and shall permit such representatives to interview employees during working hours on the job. If the Contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

- (d) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services (OATELS), or with a State Apprenticeship Agency recognized by OATELS, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by OATELS or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in this paragraph, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event OATELS, or a State Apprenticeship Agency recognized by OATELS, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- (e) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate

specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed in the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate in the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate in the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate in the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- (f) Equal Employment Opportunity. The utilization of apprentices, trainees, and journeymen under this clause shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.
- (g) Compliance with Copeland Act Requirements. The Contractor shall comply with the requirements of 29 CFR Part 3, which are hereby incorporated by reference in this contract
- (h) Contract Termination; Debarment. A breach of the labor standards clauses in this contract may be grounds for termination of the contract and for debarment as a Contractor and a subcontractor as provided in 29 CFR 5.12.
- (i) Compliance with Davis-Bacon and related Act Requirements. All rulings and interpretations of the Davis-Bacon and related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract
- (j) Disputes Concerning Labor Standards. Disputes arising out of the labor standards provisions of this clause shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its subcontractors) and the PHA, HUD, the U.S. Department of Labor, or the employees or their representatives.
- (k) Certification of Eligibility.
- (1) By entering into this contract, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded contracts by the United States Government by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).
 - (2) No part of this contract shall be subcontracted to any person or firm ineligible for award of a United States Government

contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(3) The penalty for making false statements is prescribed in the U. S. Criminal Code, 18 U.S.C. 1001.

(1) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts all the provisions contained in this clause, and such other clauses as HUD or its designee may by appropriate instructions require, and also a clause requiring the subcontractors to include these provisions in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all these provisions.

(m) Non-Federal Prevailing Wage Rates. Any prevailing wage rate (including basic hourly rate and any fringe benefits), determined under State law to be prevailing, with respect to any employee in any trade or position employed under the contract, is inapplicable to the contract and shall not be enforced against the Contractor or any subcontractor, with respect to employees engaged under the contract whenever such non-Federal prevailing wage rate exceeds:

- (i) the applicable wage rate determined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 3141 et seq.) to be prevailing in the locality with respect to such trade;
- (ii) an applicable apprentice wage rate based thereon specified in an apprenticeship program registered with the U.S. Department of Labor (DOL) or a DOL-recognized State Apprenticeship Agency; or
- (iii) an applicable trainee wage rate based thereon specified in a DOL-certified trainee program.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division

U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
