REQUIREMENTS & SPECIFICATIONS

INTRODUCTION

Lucas Metropolitan Housing Authority (LMHA) is seeking proposals from qualified professional firms to assist LMHA in project management, to include to serve as LMHA's owner Representative, measuring and verifying the Energy benefits from our EPC project on an on-going basis. The Consultant's role shall be to protect LMHA's investment in the Energy Improvements that have been made, as well as provide additional assurances to the parties that provide outside financing to LMHA for such programs. The consultant will be funded through HUD's Capital Fund Program.

The successful firm will enter into a fixed fee contract for a period of 1 year, with annual reviews, and possible renewals up to two (2) subsequent one year periods.

SCOPE OF SERVICES TO BE PERFORMED

The role of the Energy Conservation Consultant will be to continue an evaluation process over the remaining 19 years of the 20-year term of the EPC beginning in June 2017 through 2036 (End of the EPC term). This would include quantifying the savings that results from energy efficient equipment, improved operation and maintenance of materials that were installed in the first phase of the EPC contract. As LMHA redefines its goals, the Consultant will assist in navigating through the HUD submittals, and continue with the review of the annual M&V (measurement and verification) activities that provides the documentation that the guarantee of a specific level of cost savings has been met.

The Consultant will conduct a third party annual review of utility allowances established by the ESCO, for LMHA properties in the EPC and for properties within LMHA's portfolio.

In the coming year, the consultant will provide energy advice, counsel and assistance with LMHA's redevelopment plans including RAD and seek the "Moving to Work" (MTW) status.

GENERAL INFORMATION

Introduction

Lucas Metropolitan Housing Authority is a metropolitan housing authority organized and existing under the Ohio Revised Code Section 3735.27, et seq., and is governed by the U.S. Housing Act of 1937, as amended, and subject to regulation under Title 24 of the Code of Federal Regulation.

LMHA is governed by a five (5) person Board of Commissioners, appointed pursuant to the above - cited statute. The President and Chief Executive Officer controls the daily operations.

The mission of LMHA is that “Housing is vital to our past, present and future! We create quality housing opportunities and build communities through collaborative partnerships. While stimulating economic growth, we empower individuals and develop the neighborhoods of tomorrow for the people of today.”

LMHA owns and manages approximately 2,760 public housing units and administers 4,391 federal Housing Choice rental assistance vouchers. The Housing Choice Voucher Program has achieved high performer status.

LMHA is committed to a goal of thirty-five percent of all contract funds being awarded to Minority Business Enterprises (MBE). The firms submitting proposals are encouraged to include MBE participation to the maximum extent possible.

AFFH Compliance

The parties agree to affirmatively further fair housing. For purposes of the AFFH rule, the duty to “affirmatively further fair housing” means taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics.

Green Procurement

LMHA is committed to purchasing products and services that meet the local, state, and national environmental goals. Purchasing preference (whenever feasible) will be given to products that:

- Decrease greenhouse gas emissions or are made with renewable energy;
- Decrease the use of toxins detrimental to human health and to the environment;
- Contain the highest possible percentage of post-consumer recycled content (a finished material that would normally be thrown away as solid waste at the end of its life cycle, and does not include manufacturing or converting wastes);
- Limit air, land, and/or water pollution;
- Reduce the amount of waste they produce;
- Are reusable or contain reusable parts (rechargeable batteries, refillable pens, etc.); or
- Are multifunctional (i.e., scanner/copier/printers, multipurpose cleaners) and serve to decrease the total number of products purchased.

If feasible, preference will also be given to suppliers who offer environmentally preferable products, who work to exceed their environmental performance expectations, and who can show documentation of their supply-chain impacts.

LMHA hopes to engage producers and suppliers of products and services it uses to utilize business practices that reduce negative environmental impact.

OSHA Hazard Communication Standard

The Occupational Safety & Health Administration (OSHA) Hazard Communication Standard (29CFR 1910.1200) states that contractors/suppliers must be informed of the hazardous chemicals their employees may be exposed to while performing their work and any appropriate protective measures. In order to comply with this requirement, Lucas Metropolitan Housing Authority has developed a list of all the hazardous chemicals known to be present in our facility. A Safety Data Sheet (SDS) is also on file for each of the chemicals and / or hazardous substances. This information is available to you and to your employees upon request.

In order to protect the safety and health of our own employees, contractors/supplies must provide (upon request) a SDS on any hazardous chemical (s) or material (s) which they bring into the facility. Failure to provide this information in a timely manner will result in the removal of the contractor/supplier from the premises.

Each employer is also responsible for notifying any subcontractor they employ regarding the requirements of OSHA Hazard Communication Standard and other provisions described in this notice.

Each contractor is responsible for identifying conditions where Personal Protection Equipment (PPE) is required, and they are to furnish the necessary filtering face pieces, gloves, masks, eye protection, coveralls, steel toed shoes or any other type of gear that will keep their employees safe from a hazardous condition.

LMHA reserves the right to negotiate an agreement with individual (s), firm (s), or organization (s) that provide the greatest benefit to LMHA, not necessarily the lowest price. Firms in the competitive range may be required to be interviewed by the evaluation panel.

LMHA will select the respondent that is the most advantageous to LMHA based upon the evaluation criteria stated herein. LMHA reserves the right to negotiate price and other factors with any acceptable respondent.

LMHA reserves the right to waive any minor irregularity or technicalities in the proposals received. LMHA reserves the right to award without discussion (s) and may make an award to multiple vendors. The Request for Proposals selective process will involve the ranking of proposers by the appointed LMHA evaluation committee. Once the proposals have been evaluated, LMHA will negotiate with the Respondent (s) who fall within the competitive range. Fees for these services will be a negotiation factor as well as any other relevant factor identified by the evaluation committee.

Initial Review

Proposals in response to the RFP must meet the following requirements:

- **The proposal must be received electronically as indicated in the RFP no later than the time and date listed on the cover of this proposal.** Proposals not received at the designated address by the specified date will be rejected.
- Proposals shall have the required documents signed and notarized.

Final Review

- All valid proposals will be reviewed, evaluated, and rated by the Review Committee. The Review Committee will be composed of LMHA staff and/ or qualified consultants.
- The Review Committee will evaluate each proposal against the criteria in the RFP. During the review, the Committee may request additional information from the vendor. Such information requests and vendor's responses must always be in writing.
- All qualified proposals shall be reviewed by the Review Committee using the included evaluation criteria sheet. The number of evaluation points for each section varies according to the value assigned for that particular aspect of the program.

The Review Committee members may request information from sources other than the written proposal to evaluate vendor's programs. Other sources of information may include oral presentations by vendors, written responses to clarifying questions posed by the Review Committee, and vendor's history/experience in providing similar services.

Review Committee member rating sheets will be used to focus discussion. The final composite Evaluation Rating Sheet that includes the prioritized vendor's rankings will be maintained on file by LMHA. The end result of the review process is a prioritized list from best to least.

Written notification will be made to all vendors who submitted a proposal. In awarding the contract, LMHA's evaluation will include, but will not be limited to:

- Criteria for the Stage 1 review;
- Strength and stability of the vendor to provide the requested services;

- Ability to meet the project/program time lines;
- Overall responsiveness and completeness of the proposal as well as the likelihood that, in LMHA's opinion and at LMHA's discretion, the proposal best meets or exceeds LMHA's specifications;
- Scope of service being proposed;
- Customer references;
- Cost of proposed service;
- Any other factors considered relevant by LMHA and demonstrated by the proposal or investigation by LMHA; and
- Experience with a similar project/program of comparable size and scope

Responsive proposers will be notified of their non-selection after the preferred vendor is notified. If the successful vendor fails to execute the contract, LMHA may award the contract to another vendor whose proposal met the requirements of the RFP and any addenda. The period of time within which such an award of the contract may be made shall be subject to the written agreement between LMHA and the vendor.

Contractor Selections

LMHA reserves the right to make an award based solely on the respondent or to negotiate further with one or more contractors. The contractor selected for the award will be chosen on the basis of the greatest benefit to the Authority, not necessarily on the basis of the lowest price.

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. - (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.
