## **SECTION C**

### **SCOPE OF SERVICES**

## Scope of Work/Technical Specifications

### Overview

Housing Authority of the City of El Paso (“HACEP”) is planning to implement a new Enterprise Management System (Yardi Voyager) to replace its current Accounting and Finance, Property Management, and Housing Choice Voucher systems, and possibly other related systems that are used by all agency departments. HACEP’s existing systems are legacy, mainframe systems that lack the ability to meet our needs.

Consulting Services required for ERP Implementation and Project Management that require needed flexibility, efficiency and future support. HACEP expects the newly selected system (Yardi Voyager) to yield the following benefits:

- Consolidate property management, compliance, and accounting for all programs into one integrated software solution,
- Ensure regulatory compliance with HUD, State of Texas/local, GAAP, and other requirements,
- Automate processes across all aspects of finance and managing subsidized housing programs,
- Migrate legacy data quickly and cost-effectively with dedicated tools and staff
- Implement a turn-key cloud-hosted product.

### Specific services included, but are not limited to:

1. Provide accounting and financial management advice based on best practices, HUD regulations, and the Agency’s specific needs and strengths.
2. Review the current financial system, internal controls, and overall financial structure of the Agency to identify areas for improvement, restructuring or other modifications.
3. Analyze and redesign work processes and the departmental structure including the Agency’s existing and required capabilities and capacity.
4. Provide technical and strategic assistance in the creation of policies, procedures, and process improvements.
5. Conduct accounting and financial analysis that demonstrates extensive knowledge of Housing Authority finances. Areas of familiarity should include, but are not limited to:
  - o Financial Data Submissions (FDS)
  - o Public Housing Programs
  - o Housing Choice Voucher Programs
  - o Tax Credit Financing
  - o Development Financing
6. Provide assistance with cash forecasting and financial projections to manage the Agency’s overall financial position.
7. Prepare biweekly status reports describing activities, progress, and recommendations to be presented to the Executive Staff.

### **Ongoing Consulting Services**

Provide the Agency support for implementation of new policies, procedures, and structure design. It is the Agency's desire that a primary consultant be identified to coordinate this work plan and that the identified consultant work with the Agency on periodic basis. The schedule will vary based on assignments and workload.

### **Initial Concept**

The proposed scope described above represents the Agency's initial concept of the work anticipated and deliverables requested. This scope of work will be discussed in detail with the successful proposer to develop an agreed upon project scope that incorporates the proposer's approach and the Agency's desired objectives and monetary constraints. Changes in scope may be necessary in order to allow the selected proposer to meet the contractual project scope within available funding.

### **Implementation and Go-Live Plan**

Working with HACEP and Yardi Systems, Inc. the consultant shall use HACEP's project plan attached for the System implementation, (as per attachment A Pg. 17), including, but not limited to description of project scope and objectives, milestones and deliverables, timetable for phases and activities, organizational roles and responsibilities, project assignments, project management standards and procedures, quality control, and project resources and budget.

HACEP is particularly concerned about staff availability and capacity, and as such, the plan shall identify Agency staff who should be assigned to the project and specific measures and costs for backfilling their duties during implementation and post go-live. The selected proposer would also be responsible for scheduling and leading staff meetings, creating process and workflow plans, and following up with internal and external stakeholders to ensure project deadlines are met. Where Agency staff is not available, solutions will be developed and included, with costs, in the project plan.

The selected consultant shall meet with HACEP Executive Staff periodically and work under the direction of HACEP's program manager. They shall also work in conjunction with HACEP and Yardi Systems, Inc., as needed, as the "project team" in an on-going capacity through and up to the successful completion of implementation, go-live, and post go-live events and/or milestones. Current timelines show an implementation period up to June 2018.

### **Implementation Milestones**

The selected consultant shall advise HACEP on implementation milestones as well as timetables and tracking of phases and activities. - (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.

- A. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. ### **Instructions for Certification (A)**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the

department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification

Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

**Instructions for Certification (B)**

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
