

City of Minneapolis Small and Underutilized Business Program (SUBP)

MINNEHAHA TOWNHOMES

This report lists MBEs and WBEs that have been certified by the Minnesota Uniform Certification Program (MnUCP) in scopes of services relevant to this project. If additional scopes of services are identified, the MnUCP online directory (<http://mnucp.metc.state.mn.us/>) should be utilized to find additional certified MBEs and WBEs in those scopes. Another way to locate additional MBEs and WBEs is to contact the National Association of Minority Contractors (NAMC) or the Association of Women Contractors (AWC). NAMC contact: 612-521-3366; staff@namc-um.org. AWC contact: 651-489-2221; awc@awcmn.org.

Note that if a firm is certified as both 'MBE' and 'WBE', that firm's participation in the project will only count toward the 'MBE' goal.

The scopes of services are categorized using the North American Industry Classification System (NAICS). For definitions and more information about NAICS Codes visit the U.S. Census Bureau (<http://www.census.gov/eos/www/naics/>).
