5	Other Information (Optional)	The proposer may include hereunder any other general information that the proposer believes is appropriate to assist the Authority in its evaluation.

6.1 If no information is to be placed under any of the above noted tabs (especially the “Optional” or “If Applicable” tabs), please place there under a statement such as “NO INFORMATION IS BEING PLACED UNDER THIS TAB” or “THIS TAB LEFT INTENTIONALLY BLANK.” DO NOT eliminate any of the tabs.

6.1.1 Proposal Submittal Binding Method: It is preferable and recommended that the proposer bind the proposal submittal in such a manner that the Authority can, if needed, remove the binding (i.e. “comb-type;” etc.) or remove the pages from the cover (i.e. 3-ring binder; etc.) to make copies then conveniently return the proposal submittal to its original condition.

7.0 DELIVERY OF PROPOSALS: Please submit your proposal as described in Section 6, Proposal Format. The completed submission package must be received by the time and date listed on the cover of this RFP. Proposals received after the deadline will not be considered. Submissions delivered by any other method (EMAIL or fax) will not be accepted.

7.1 All vendors must carefully review their final proposals. Once the file has been opened, proposals cannot be changed; with the exception that LMHA may request information or respond to inquiries for clarification purpose only.

7.2 All vendors submitting a proposal must agree to honor the terms and conditions contained herein for the life of the contract.

7.3 Acceptance and Rejection of Proposals: LMHA reserves the right to accept or reject any or all proposals, to take exception to the RFP specifications, or to waive any formality. LMHA reserves the right to waive any minor irregularity or technicalities in

**RFP19-R001 INSURANCE BROKER SERVICES FOR COLLINGWOOD GREEN,

the proposals received. Firms may be excluded from further consideration for failure to comply with the specifications of this RFP. The recommendation of LMHA staff, LMHA President and Chief Executive Officer, as well as LMHA's Board of Commissioners shall be final.

7.4 Withdrawal of Proposal: Proposals may be withdrawn by written request dispatched by the Respondent in time for delivery in the normal course of business prior to the proposal due date and time. Negligence on the part of the Respondent in preparing the required documents confers no right of withdrawal or modification of proposal data after such documents are opened.

7.5 Submission Conditions: Do Not fold or make any additional marks, notations or requirements on the documents to be submitted! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; if such markings are made, the proposal may be deemed invalid. If after accepting a proposal, the Authority decides that any such entry has not changed the intent of the proposal, the Authority may accept the proposal as if the marks, notations or requirements were not entered on such.

7.6 Addendum: All questions and requests for information must be addressed in writing to the PO. The PO will respond to all such inquiries in writing by addendum posted to the Authority website at <http://www.lucasmha.org>. Offerors are responsible for ensuring they receive all addenda. During the RFP solicitation process, the PO will NOT conduct any *ex parte* (a substantive conversation "substantive" meaning, when decisions pertaining to the RFP are made—between the Authority and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not contact the CO it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the PO may not respond to the prospective proposer's inquiries but will direct him/her to submit such inquiry in writing so that the PO may more fairly respond to all prospective proposers in writing by addendum.

8.0 EVALUATION OF PROPOSALS: The Competitive Negotiation Process will be used to select the agreement award, beginning with the highest ranked firm. LMHA reserves the right to negotiate an agreement with individual (s), firm (s), or organization (s) that provide the greatest benefit to LMHA, not necessarily the lowest price. Firms in the competitive range may be required to be interviewed by the evaluation panel.

8.1 LMHA will select the respondent that is the most advantageous to LMHA based upon the evaluation criteria stated herein. LMHA reserves the right to negotiate price and other factors with any acceptable respondent.

**RFP19-R001 INSURANCE BROKER SERVICES FOR COLLINGWOOD GREEN,
PHASES 1 AND 2**

8.2 LMHA reserves the right to award without discussion (s) and may make an award to multiple vendors. The Request for Proposals selective process will involve the ranking of proposers by the appointed LMHA evaluation committee. Once the proposals have been evaluated, LMHA will negotiate with the Respondent (s) who fall within the competitive range. Fees for these services will be a negotiation factor as well as any other relevant factor identified by the evaluation committee.

8.3 The Review Process - Preliminary Proposal Review: The review process will be conducted in two parts. The preliminary review will consist of a review to be sure the proposal meets the minimum requirements (and mandatory conditions) specified in the RFP. If they do not, they will be rejected.

8.3.1 Proposals in response to the RFP must meet the following requirements:

- **The proposal must be received as indicated in the RFP no later than the time and date listed on the cover of this proposal.** Proposals not received at the designated address by the specified date will be rejected.
- Proposal signed by authorized vendor representative.
- Proposals that pass this initial review will be considered a valid proposal and will move on to the final review. Those that do not will be filed as rejected.

8.3.2 Final Review: All valid proposals will be reviewed, evaluated, and rated by the Review Committee. The Review Committee will be composed of LMHA staff.

- The Review Committee will evaluate each proposal against the criteria in the RFP. During the review, the Committee may request additional information from the vendor. Such information requests and vendor's responses must always be in writing.
- All qualified proposals shall be reviewed by the Review Committee using the included evaluation criteria sheet. The number of evaluation points for each section varies according to the value assigned for that particular aspect of the program.

8.3.3 Additional Information: The Review Committee members may request information from sources other than the written proposal to evaluate vendor's programs. Other sources of information may include oral presentations by vendors, written responses to clarifying questions posed by the Review Committee, and vendor's history/experience in providing similar services.

8.4 Evaluation Review Criteria: Review Committee member rating sheets will be used to focus discussion. The final composite Evaluation Rating Sheet that includes the prioritized vendor's rankings will be maintained on file by LMHA. The end result of the review process is a prioritized list from best to least.

8.4.1 In awarding the contract, LMHA’s evaluation will include, but will not be limited to:

- Criteria for the Stage 1 review;
- Strength and stability of the vendor to provide the requested services;
- Ability to meet the project/program time lines;
- Overall responsiveness and completeness of the proposal as well as the likelihood that, in LMHA’s opinion and at LMHA’s discretion, the proposal best meets or exceeds LMHA’s specifications;
- Scope of service being proposed;
- Customer references;
- Cost of proposed service;
- Any other factors considered relevant by LMHA and demonstrated by the proposal or investigation by LMHA; and
- Experience with a similar project/program of comparable size and scope

8.4.2 Responsive proposers will be notified of their non-selection after the preferred vendor is notified. (Written notification will be made to all vendors who submitted a proposal) If the successful vendor fails to execute the contract, LMHA may award the contract to another vendor whose proposal met the requirements of the RFP and any addenda. The period of time within which such an award of the contract may be made shall be subject to the written agreement between LMHA and the vendor.

8.4.3 The selective process will involve the ranking of proposals by the appointed LMHA evaluation committee. Evaluation criteria to be used in reviewing proposals and their respective weights are as follows:

9.0 Section 3 Business Preference

9.1 Introduction. The purpose of this document is to, in simplified terms, explain to proposers, major components pertaining to the Section 3 Business Preference program required by the Agency's funding source, the U.S. Department of Housing and Urban Development (HUD). Also, hereinafter, a Section 3 Business Preference will be referred to as "Preference."

9.2 What is Section 3?

9.2.1 Section 3 is a provision of the Housing and Urban Development Act of 1968, which recognizes that HUD funds are typically one of the largest sources of federal funding expended in communities, including those communities served by the Agency. Section 3 is intended to ensure that when a contractor has need to hire additional people as the result of receiving a contract from the Lucas Metropolitan Housing Authority (hereinafter, "the Agency"), preference

PHASES 1 AND 2**

must be given to low- and very low-income persons residing in Lucas County, OH (Section 3 resident), or Section 3 business concerns.

9.2.2 The requirements pertaining to Section 3 apply only to purchases and contracts the Agency completes for work—the requirements of Section 3 DOES NOT apply to purchases or contracts the Agency completes solely for commodities or equipment; meaning, "no work provided, no Section 3 required."

9.2.3 Section 3 is race and gender neutral in that preferences are based on income-level and location.

9.3 What does the term "Section 3 resident" mean?

9.3.1 A "Section 3 resident" is:

9.3.1.1 A public housing resident of the Agency; or

9.3.1.2 A low- or very low-income resident of Lucas County, Ohio.

9.3.1.2.1 Low- and very low-income within Lucas County, Ohio is defined as residents within the following income levels for FY 2018 (Median Income = \$56,000):

[Table No. 4]

Income Limit Category	(1) Person	(2) Persons	(3) Persons	(4) Persons	(5) Persons	(6) Persons	(7) Persons	(8) Persons
Household Income	\$34,450	\$39,400	\$44,300	\$49,200	\$53,150	\$57,100	\$61,050	\$64,950

Table of 2018 Adjusted Mean Income for Lucas Metropolitan Housing Authority

- 9.4.1.3 Provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications within the preceding 3.1.1 or 3.1.2.

9.5 Is participation in Section 3 optional?

- 9.5.1 Except for purchases or contracts solely for commodities and equipment, as a part of the solicitation the Agency will offer all bidders the option of a Preference.
- 9.5.2 In response to a competitive solicitation (this Invitation for Bids or IFB), bidders are not required to respond to the Agency with a claim of a Preference (meaning, such claim is optional and failure to respond with a claim of a Preference will not cause the bidder to be deemed non-responsive); however, if a bidder does claim a Preference, then the Agency will consider, investigate, and determine the validity of each such claim for a Preference.
- 9.5.3 Regardless of whether a bidder claims a Preference in response to a solicitation, the recipient of the award will be required to, "to the greatest extent feasible," implement the requirements of Section 3 during the ensuing awarded contract term.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms **covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded**, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of these regulations.

6. 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

3. 4. The terms **covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded**, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. **Section 3 Business Preference Explanation
(RFP Attachment D-1)**

- 1.0 Introduction. The purpose of this document is to, in simplified terms, explain to bidders, major issues pertaining to the Section 3 Business Preference program required by the Agency's funding source, the U.S. Department of Housing and Urban Development (HUD). Also, hereinafter, a Section 3 Business Preference will be referred to as "Preference."

- 2.0 What is Section 3?
 - 2.1 Section 3 is a provision of the Housing and Urban Development Act of 1968, which recognizes that HUD funds are typically one of the largest sources of federal funding expended in communities, including those communities served by the Agency. Section 3 is intended to ensure that when a contractor has need to hire additional people as the result of receiving a contract from the Lucas Metropolitan Housing Authority (hereinafter, "the Agency"), preference must be given to low- and very low-income persons residing in Lucas County, OH (Section 3 resident), or Section 3 business concerns.

 - 2.2 The requirements pertaining to Section 3 apply only to purchases and contracts the Agency completes for work—the requirements of Section 3 DOES NOT apply to purchases or contracts the Agency completes solely for commodities or equipment; meaning, "no work provided, no Section 3 required."

 - 2.3 Section 3 is race and gender neutral in that preferences are based on income-level and location.

- 3.0 What does the term "Section 3 resident" mean?
 - 3.1 A "Section 3 resident" is:
 - 3.1.1 A public housing resident of the Agency; or

 - 3.1.2 A low- or very low-income resident Lucas County, OH.
 - 3.1.2.1 Low- and very low-income within Lucas County, OH is defined as residents within the following income levels for FY 2018 (Median Income = \$56,000):

[Table No. 1]

Income Limit Category	(1) Person	(2) Persons	(3) Persons	(4) Persons	(5) Persons	(6) Persons	(7) Persons	(8) Persons
Household Income	\$34,450	\$39,400	\$44,300	\$49,200	\$53,150	\$57,100	\$61,050	\$64,950
Table of 2018 Adjusted Mean Income for Lucas Metropolitan Housing Authority								

- 4.0 What does the term "Section 3 business concern" mean?

**Section 3 Business Preference Explanation
(RFP Attachment D-1)**

- 4.1 A "Section 3 business concern" is a business that can provide evidence that it meets one of the following:
- 4.1.1 It is 51% or more owned by a Section 3 resident; or
 - 4.1.2 At least 30% of its full-time employees include person that are currently Section 3 residents, or within 3 years of the date of first employment with the business concern were Section 3 residents; or
 - 4.1.3 Provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications within the preceding 3.1.1 or 3.1.2.

5.0 Is participation in Section 3 optional?

- 5.1 Except for purchases or contracts solely for commodities and equipment, as a part of the solicitation the Agency will offer all bidders the option of a Preference.
- 5.2 In response to a competitive solicitation (this Invitation for Bids or IFB), bidders are not required to respond to the Agency with a claim of a Preference (meaning, such claim is optional and failure to respond with a claim of a Preference will not cause the bidder to be deemed non-responsive); however, if a bidder does claim a Preference, then the Agency will consider, investigate, and determine the validity of each such claim for a Preference.
- 5.3 Regardless of whether a bidder claims a Preference in response to a solicitation, the recipient of the award will be required to, "to the greatest extent feasible," implement the requirements of Section 3 during the ensuing awarded contract term.

6.0 Must a contractor receiving an award from the Agency take part in the Section 3 program?

- 6.1 The short answer is "Yes," as detailed following, each contractor must, "to the greatest extend feasible," take part in the program.
 - 6.1.1 If the contractor wishes, he/she may claim a Preference during a competitive solicitation process (please see Attachment D, most specifically Section 2.0 therein). Pertaining to an IFB competitive solicitation process, the Agency will give a Preference based upon the following:

[Table No. 2]

	Preference = lesser of:
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000
When the lowest responsive bid is:	
At least \$100,000 but less than \$200,000	9% of that bid, or \$16,000
At least \$200,000 but less than \$300,000	8% of that bid, or \$21,000
At least \$300,000 but less than \$400,000	7% of that bid, or \$24,000
At least \$400,000 but less than \$500,000	6% of that bid, or \$25,000
At least \$500,000 but less than \$1,000,000	5% of that bid, or \$40,000

Section 3 Business Preference Explanation
(RFP Attachment D-1)

At least \$1,000,000 but less than \$2,000,000	4% of that bid, or \$60,000
At least \$2,000,000 but less than \$4,000,000	3% of that bid, or \$80,000
At least \$4,000,000 but less than \$7,000,000	2% of that bid, or \$105,000
\$7,000,000 or more	1½ % of lowest responsive bid, with no dollar limit

6.1.2 It is possible that a contractor may demonstrate, to the Agency's satisfaction that he/she has made a good faith and reasonable effort to comply with the requirements of Section 3, but it is not feasible to implement any portion of the Section 3 program. Such failure must be fully documented by the contractor and approved by the Agency or that contractor may be deemed not responsible by the Agency and the contract may be, at the Agency's discretion, not awarded or terminated.

7.0 Be aware that, as detailed within §135.38, the following Section 3 Clause will be a part of every applicable contract the Agency executes, and when a contractor executes the contract he/she is thereby agreeing to comply with the following:

SECTION 3 CLAUSE

- 7.1 The work to be performed under this contract is project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U. S. C. 1701u. Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the area of the Section 3 covered project and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in, substantial part by persons residing in the area of the Section 3 covered project.
- 7.2 The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR, Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability, which would prevent them from complying with these requirements.
- 7.3 The contractor will send to each labor organization or representative of workers with which s/he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- 7.4 The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract

Section 3 Business Preference Explanation
(RFP Attachment D-1)

- 7.5 Compliance with the provisions of Section 3, the regulations set forth in 24 CFR, Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided and to such sanctions as are specified by 24 CFR, Part 135.
- 7.6 Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- 7.7 With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Action (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).
- 8.0 As detailed within 24 CFR §135, Appendix I, *Examples of Efforts To Offer Training and Employment Opportunities to Section 3 Residents*, as a part of the contract award process, to satisfy the requirements of Section 3 the successful bidder or Contractor will be able to denote the "efforts" his/her firm will formally commit to implement if he/she is awarded a contract:
- 8.1 Entering into "first source" hiring agreements with organizations representing Section 3 residents.
- 8.2 Sponsoring a HUD-certified "Step-Up" employment and training program for section 3 residents.

Section 3 Business Preference Explanation
(RFP Attachment D-1)

- 8.5 Advertising the training and employment positions by posting flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) in the common areas or other prominent areas of the housing development or developments. - 8.6 Contacting resident councils, resident management corporations, or other resident organizations, where they exist, in the housing development or developments where category 1 or category 2 persons reside, and community organizations in HUD-assisted neighborhoods, to request the assistance of these organizations in notifying residents of the training and employment positions to be filled.
- 8.7 Sponsoring (scheduling, advertising, financing or providing in-kind services) a job informational meeting to be conducted by an Agency or contractor representative or representatives at a location in the housing development or developments where category 1 or category 2 persons reside or in the neighborhood or service area of the section 3 covered project.

- 8.15 For the Agency, employing section 3 residents directly on either a permanent or a temporary basis to perform work generated by section 3 assistance. (This type of employment is referred to as “force account labor” in HUD's Indian housing regulations. See 24 CFR §905.102, and §905.201(a)(6).)
- 8.16 Where there are more qualified section 3 residents than there are positions to be filled, maintaining a file of eligible qualified section 3 residents for future employment positions.

- 9.0 As detailed within 24 CFR §135, Appendix II, *Examples of Efforts To Award Contracts to Section 3 Business Concerns*, as a part of the contract award process, to satisfy the requirements of Section 3 the successful bidder or Contractor will be able to denote the "efforts" his/her firm will formally commit to implement if he/she is awarded a contract:

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/ HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

However, all bidders will be required to submit adequate information showing that the bidder is qualified to perform the required work (i.e. Profile of Firm Form and required resumes). Failure by the prospective bidder to provide the requested information may, at the Agency's discretion, eliminate that bidder from consideration, provided that all bidders were required to submit the same information as a part of the IFB process (in the case of a successful bidder(s), these requirements shall also apply in the context of the successful bidder or bidders).

Supplemental Instructions to Proposers & Contractors (SITPC) (RFP Attachment F)

- 2.3.1 Manner of Submission.** The bid submittal shall be submitted in the manner detailed within the IFB document. Failure to submit the bid in the manner specified may result in a premature opening of, post-opening of, or failure to open and consider that bid, and may, at the discretion of the CO, eliminate that bidder from consideration for award.
- 2.3.2 Time for Receiving Bids.** Bids received prior to the time set as the deadline for the receipt by the Agency of the bid submittal shall be securely kept, unopened, by the Agency. Every request for an official interpretation shall be made by the prospective bidder, in writing, pursuant to the schedule set within the IFB document issued and as directed by the Agency. 2.4 Exceptions to Specifications.

2.4.1 A bidder may take exception to any of the bid documents or any part of the information contained therein, by submitting, in writing to the CO, at least 10 days prior to the bid deadline, a complete and specific explanation as to what he/she is taking exception to. 2.5.1.1 The purpose of this LSCB will serve the Agency in two distinct areas:

REQUEST FOR PROPOSALS (RFP) No19-R002

Supplemental Instructions to Proposers & Contractors (SITPC)
(RFP Attachment F)

- 2.5.1.1.1 **Prior to award of Bids.** The Agency may request a LSCB for any or all items reflected within the IFB document as “lump sum” for the purpose of determining an unbalanced cost bid. The CO, using acceptable methods dictated by the industry, shall conduct the analysis.
- 2.5.1.1.2 **After Award.** The Agency may request a LSCB for any or all items reflected within the IFB document as “lump sum” for the purpose of making partial payments to the successful bidder.
- 2.5.1.1.3 **Increase/Decrease.** Under no circumstances, may any cost item reflected as “lump sum” be increased and/or decreased as a result of the LSCB analysis.

3.0 BID EVALUATION (in reference to SEALED BIDS OR INVITATION FOR BIDS).

- 3.1 **Bid Opening Results.** It is understood by all bidders/prospective bidders that the bids received will be publicly opened and read aloud and the results will immediately be a matter of public record; meaning, the Agency will record all bids on a bid tabulation form and make such tabulation available to any person upon request.
 - 3.1.1 **Bid documents** submitted by the bidders shall not be a matter of public record until after award has been completed. The Agency shall, however, upon request, verify that the bid documents submitted are/were acceptable.
- 3.2 **Award of Bid(s).** The successful bidder shall be determined as the responsive and responsible bidder who submits the lowest actual or calculated cost as detailed with the IFB, as long as he/she is able to deliver the specified items in a timely manner and it is, in the opinion of the Agency, to the best interests of the Agency to accept the bid. All bidders will be notified in a timely manner of the results of the evaluation after award has been completed.
- 3.3 **Rejection of Bids.**
 - 3.3.1 The Agency reserves the right to, at any time during the bid process, reject any or all bids received. In the case of rejection of all bids, the Agency reserves the right to advertise for new bids or to proceed to do the work otherwise, if in the judgment of the Agency, the best interest of the Agency will be promoted.

REQUEST FOR PROPOSALS (RFP) No19-R002

Supplemental Instructions to Proposers & Contractors (SITPC) (RFP Attachment F)

- 3.3.2** Prospective bidders acknowledge by downloading and receiving the IFB documents and/or by submitting a bid that the submission of a bid to the Agency is not a right by which to be awarded that bid, but merely an offer by the prospective bidder to perform the requirements of the IFB documents in the event the Agency decides to consider an award to that bidder.
- 3.4 Cancellation of Award.** The Agency reserves the right to, without any liability, cancel the award of any bid(s) at any time before the execution of the contract documents by all parties.
- 3.5 Mistake in Bid Submitted.**
- 3.5.1** A request for withdrawal of a bid due to a purported error need not be considered by the Agency unless the same is filed in writing by the bidder within 48 hours after the bid deadline (bidders may of their own volition withdraw a bid prior to the bid deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by the Agency, be supported by the original calculations on which the bid was computed, together with a certification and notarization thereon that such computation is the original and prepared by the bidder or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as the Agency retains the right to accept or reject any bid withdrawal for a mistake.
- 3.5.2** Unless otherwise prohibited within the IFB documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at the Agency's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the CO, for his/her review. This mistake must be corrected before the issuance of contract documents.
- 3.6 Irregular Bid Submittal.** A bid shall be considered irregular for any one of the following reasons, any one or more of which may, at the Agency 's discretion, be cause for rejection:
- 3.6.1** If the forms furnished by the Agency are not used or are altered or if the bid costs are not submitted as required and where provided (especially within the eProcurement Marketplace).
- 3.6.2** If all requested completed attachments do not accompany the bid submitted.

3.8 Burden of Proof. If requested by the Agency, it shall be the responsibility of the bidder(s) to furnish the Agency with sufficient data or physical samples, within a specified time, so that the Agency may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest.

4.1 Rights. Any prospective or actual bidder, offeror, or Contractor who is allegedly aggrieved in connection with the solicitation of a bid or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved “protestant” is a prospective or actual bidder who feels that he/she has been treated inequitably by the Agency and wishes the Agency to correct the alleged inequitable condition or situation. To be eligible to file a protest with the Agency pertaining to an IFB or contract, the alleged aggrieved protestant must have been involved in the IFB process in some manner as a prospective bidder (i.e. registered and received the IFB documents) when the alleged situation occurred. The Agency has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 Administrative Powers. It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 Procedure to Protest. An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve the Agency from accepting or considering that protest:

4.3.1 The alleged aggrieved protestant must file, in writing, to the CO the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the Agency or condition is being protested as inequitable, making, where appropriate specific reference to the IFB documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve the Agency from any responsibility to consider the protest and take any corrective action.

4.3.2 The written instrument containing the reason for the protest must be received by the CO within 10 days after the occurrence of any of the following:

4.3.2.1 The deadline for receiving bids;

- 4.3.2.2 Receipt of notification of the results of the evaluation or the award; or
- 4.3.2.3 The alleged aggrieved protestant knows or should have known the facts.
- 4.3.3 In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the bid deadline). Protests received after these dates shall not be considered.
- 4.3.4 The CO shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.
- 4.3.5 **Administrative Appeal.** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the CO, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the CO request an administrative appeal hearing be granted. The following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve the Agency from accepting or acting on that request for administrative hearing:
 - 4.3.5.1 The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED, within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relive the Agency of any responsibility to consider such request.
 - 4.3.5.2 The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.
 - 4.3.5.3 It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.
 - 4.3.5.4 If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.

Supplemental Instructions to Proposers & Contractors (SITPC) (RFP Attachment F)

4.3.5.5 If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all bids submitted and a copy of the original written protest, to the Agency Legal Counsel for consideration. The Agency Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.

4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust the Agency internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges).

5.1 **Procedures.** In addition to the procedures detailed within Clause No. 7 of Contract Appendix No. 1, form HUD-5370-C (01/2014), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

5.1.1 The Agency's representative shall, within 10 days after the Agency's receipt of such billing, formally notify the Contractor's representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

5.1.2 If such dispute cannot be resolved by the Contractor's response, within 10 days after such notification is given, the CO and the Contractor's representative shall meet to discuss the matter and attempt to arrive at a resolution.

5.1.3 If the CO and the Contractor's representative are unable to resolve the dispute through such discussion within 10 days, the Agency shall, within 10 days thereafter, either:

5.1.3.1 Pay the disputed charges and reserve the right to submit the matter to the appropriate District Court in the State of Ohio;

5.1.3.2 Not pay the disputed charge and submit the matter to the appropriate district court in the State of Ohio;

5.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of Ohio.

- 6.1.1** Any political subdivision within the State of Ohio may be granted the privilege of joining the awarded contract, only at the option of the successful bidder. - 6.1.2** The successful bidder shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded contract. In the event the successful bidder allows another political subdivision to join the Agency contract, it is expressly understood that the Agency shall in no way be liable for the joining political subdivision obligations to the successful bidder in any manner whatsoever.
- 6.2 Non-Escalation.** Unless otherwise specified within the IFB documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

6.7.1 The successful bidder agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the successful bidder. Upon default, the successful bidder agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

6.8 Communication. If during the period of the contract, it is necessary that the Agency place toll or long-distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful bidder will bear the charge or expense for all such calls and/or telegrams.

6.10 Estimated Quantities. Unless otherwise indicated within the IFB documents, the quantities reflected within the IFB documents, to the best of the Agency's knowledge, reflect projected consumption data. These quantities are not meant to infer or imply actual consumption figures or quantities that will be purchased by the Agency under the finalized contract; but, pursuant to all IFB documents, these quantities will be used as calculation figures to determine the successful bidder.

6.11 Warranty.

6.11.1 The services provided under the contract shall conform to all information contained within the IFB documents as well as applicable Industry Published Technical Specifications, and if one of the above-mentioned Specifications contains more stringent requirements than the other, the more stringent requirements shall apply.

- 6.12 Official, Agent and Employees of the Agency Not Personally Liable.** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the Agency in any way be personally liable or responsible for any covenant or agreement herein contained, whether either expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.
- 6.13 Subcontractors.** Unless otherwise stated within the IFB documents, the successful bidder may not use any subcontractors to accomplish any portion of the services described within the IFB documents or the contract without the prior written permission of the CO.

The amount so allowed as attorneys' fees shall be taxed to the losing party as costs of the suit, unless prohibited by law.

6.19 Time of the Essence. Time is of the essence under this agreement as to each provision in which time of performance is a factor.

6.21.1 The successful bidder shall protect, indemnify and hold the Agency, its officers, employees, agents, consulting engineers and other retained consultants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character which the Agency, its officers, employees, agents, consulting engineers or other retained consultants may suffer, or which may be sought against, recovered from or obtainable against the Agency, its officers, employees, agents, consulting engineers or other retained consultants such as:

- 6.21.2** Reimbursement to the successful bidder by the Agency, in whole or in part, for the costs of protecting traffic shall not serve to relieve the successful bidder of its responsibility as set forth in the IFB documents.

(ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- (f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
