2.3 Insurance Requirements. Contractor shall purchase and maintain insurance as required to protect Contractor and MPHA from claims set forth in items 2.3.1 and 2.3.4 below that may arise out of, result from, or are in any manner connected with: (1) the execution of the work under this contract, or (2) occur or result from the use by Contractor, its agents or employees, of materials, equipment, instrumentalities or other property, whether the same be owned by MPHA, Contractor, subcontractors or third parties. The insurance required hereunder shall be effective and apply whether such claims arise by Contractor or by anyone directly or indirectly employed by Contractor or by anyone for whose acts Contractor may be liable.

Contractor shall require its subcontractors, if any, to comply with all insurance requirements in this contract. Contractor shall at all times be responsible for determining and ensuring that its subcontractors are insured as required by the contract. The premiums, costs, and charges for any such insurance shall be paid by each subcontractor at its own expense. The insurance required to be obtained under the contract shall be written for not less than the limits of liability specified below or required by law, whichever is greater. The types of claims required coverages and minimum limits of liability are as follows:

2.3.1 Worker's Compensation Insurance/Employer's Liability. The \$1,500,000 policy limits may be a combination of underlying and excess liability (follows form) policies. Commercial General Liability insurance required under this paragraph shall be written on an occurrence form.

- 2.3.3 Professional Liability Insurance.** Professional Liability Coverage for negligent acts, error or omissions arising out of the performance of professional services included in this Agreement in the minimum limit of liability of \$1,500,000 per claim, with a maximum deductible amount of \$5,000.

The limits of liability specified above are minimum requirements. Approval of the insurance by MPHA shall not relieve or decrease the liability of Contractor. MPHA does not in any way represent that the insurance or limits of insurance specified above are sufficient or adequate to protect Contractor's interests or liabilities but are minimums. Employer's Liability insurance may be arranged under single policies for full minimum limits required, or by a combination of underlying policies with the balance provided by an Excess or Umbrella Liability policy, where Excess or Umbrella policy provides "form follows policy" coverage.

The additional insured status must be reflected on Contractor's Certificate of Insurance to MPHA.

Contractor will further provide Certificates of Insurance with additional insured status per the above requirements on an annual basis, naming MPHA as additional insured per the above requirements.

Certificates of Insurance and policy endorsements indicating additional insured status shall be filed with MPHA prior to commencing any work hereunder. MPHA shall not be obligated to review certificates or other evidence of insurance, or to advise Contractor of any deficiencies in such documents, and receipt thereof shall not relieve Contractor from, nor be deemed a waiver of MPHA's right to enforce, the terms of Contractor's obligations under this contract. All insurance policies shall contain a provision that coverages and limits afforded thereunder shall not be canceled without thirty (30) days prior written notice to MPHA. MPHA shall have the right to examine any policy or endorsements required under this contract.

All insurance policies required to be obtained by Contractor and its subcontractors hereunder shall include a waiver of subrogation by endorsement or otherwise in favor of MPHA and its agents, employees, officers, directors, and lenders. The waivers of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurance interest.
