property, whether the same be owned by MPHA, Elliots LP, CHR, the Contractor, subcontractors or third parties. The insurance required hereunder shall be effective and apply whether such claims arise by the Contractor or by anyone directly or indirectly employed by Contractor or by anyone for whose acts the Contractor may be liable.

The Contractor shall require its subcontractors, if any, to comply with all insurance requirements in this contract. The Contractor shall at all times be responsible for determining and ensuring that its subcontractors are insured as required by the contract. The premiums, costs, and charges for any such insurance shall be paid by each subcontractor at its own expense. The insurance required to be obtained under the contract shall be written for not less than the limits of liability specified below or required by law, whichever is greater. The types of claims, required coverages and minimum limits of liability are as follows:

**2.5.1 Worker's Compensation Insurance/Employer's Liability.** Claims under Contractor's Workers' Compensation disability benefit and other similar employee benefit acts; claims for damages because of bodily injury, occupational sickness or disease or death of employees. Insurance coverage shall include Statutory Workers' Compensation, including Employers Liability with a minimum limit of \$500,000 each accident, \$500,000 Disease-Policy Limit, \$500,000 Disease Each employee.

**2.5.2 General Liability Insurance.** Claims for damages because of bodily injury, occupational sickness or disease, or death, by any person other than employees; claims for personal injuries which are sustained by (1) any person as a result of an act or omission directly or indirectly related to the employment of such person by the Contractor, or (2) any other person; claims for damages because of injury to or destruction of tangible property including loss of use resulting therefrom. Insurance coverages shall include:

Policy Limits:	Personal Injury	\$1,500,000
	Each Occurrence	\$1,500,000

**The \$1,500,000 policy limits may be a combination of underlying and excess liability (follows form) policies.** Commercial General Liability insurance required under this paragraph shall be written on an occurrence form.

**2.5.3 Automobile Liability Insurance.** Claims for damages because of bodily injury or death of any person, or any property damage, arising out of the ownership or use of any motor vehicle. **Contract No. 22.xxx between the Minneapolis Public Housing Authority and  
for System and Network Administration**

The limits of liability specified above are minimum requirements. Approval of the insurance by MPHA shall not relieve or decrease the liability of the Contractor. MPHA does not in any way represent that the insurance or limits of insurance specified above are sufficient or adequate to protect Contractor's interests or liabilities but are minimums. Employer's Liability, Commercial General Liability and Automobile Liability insurance may be arranged under single policies for full minimum limits required, or by a combination of underlying policies with the balance provided by an Excess or Umbrella Liability policy, where Excess or Umbrella policy provides "form follows policy" coverage.

The Contractor shall endorse its Commercial General Liability and Umbrella/Excess Liability policies to add MPHA, Elliotts LP, and CHR as an additional insured with respect to liability arising out of (a) operations performed for MPHA by or for the Contractor, (b) the Contractor's completed work under this contract, (c) claims for bodily injury or death brought against any of the additional insureds by the Contractor's employees, or the employees of its subcontractors of any tier, however caused, related to the performance of the work under this contract. Such insurance afforded to MPHA, Elliotts LP, and CHR as additional insured under the Contractor's policies shall be primary insurance and not excess over, or contributing with, any insurance purchased or maintained by MPHA or others required to be included as additional insureds. The additional insured status must be reflected on the Contractor's Certificate of Insurance to MPHA.

The Contractor will further provide Certificates of Insurance with additional insured status per the above requirements on an annual basis, naming MPHA, Elliotts LP, and CHR as additional insured per the above requirements.

Certificates of Insurance and policy endorsements indicating additional insured status shall be filed with MPHA prior to commencing any work hereunder. MPHA shall not be obligated to review certificates or other evidence of insurance, or to advise the Contractor of any deficiencies in such documents, and receipt thereof shall not relieve the Contractor from, nor be deemed a waiver of MPHA's right to enforce, the terms of the Contractor's obligations under this contract. All insurance policies shall contain a provision that coverages and limits afforded thereunder shall not be canceled without thirty (30) days prior written notice to MPHA. MPHA shall have the right to examine any policy or endorsements required under this contract.

All insurance policies required to be obtained by the Contractor and its subcontractors hereunder shall include a waiver of subrogation by endorsement or otherwise in favor of MPHA and its agents, employees, officers, directors, and lenders. The waivers of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurance interest.

Failure to maintain the above-referenced insurance coverage, including naming MPHA, Elliotts LP, and CHR as an additional insured (where appropriate) during the term(s) of this contract shall constitute a material breach thereof. Insurance certificate(s)/endorsement(s) shall be delivered to the following person representing MPHA:

- 2.6.3** The Contractor further agrees to promptly disclose to MPHA any change of more than 50% of its ownership and/or any declaration of bankruptcy that the Contractor may undergo during the term(s) of this contract. The failure of the Contractor to disclose any change of more than 50% of its ownership and/or its declaration of bankruptcy within 5 days of said actions shall constitute a material breach of this contract.

- 2.7 State and Federal Data Privacy Statement.** The Contractor may have access to information or data that is classified as “private, confidential, not-public or non-public” under the Minnesota Government Data Practices Act and applicable Federal law.
