

Montgomery Housing Authority (MHA) is requesting bids for PHA Wide tree and shrubbery removal, pruning and trimming services at all of its properties. All trees cut down are to have the stumps ground and all shavings are to be removed. All trees trimmed are to have the branches removed from the property on the day they are cut. Work times for the project are Monday- Saturday from 8 am-5 pm. The contractor is to supply all labor, material and supplies to complete the job. All pay requests are to be reviewed by the Project Manager prior to submission. Safety for our property and residents should be a priority and all work should be planned with the project manager before starting.
