The proposed LABOR fees are all-inclusive of all related costs that the successful bidder will incur to provide the noted services, including, but not limited to: equipment; disposal; employee wages and benefits; clerical support; overhead; profit; licensing; insurance; materials; supplies; tools; long distance telephone calls; travel expenses; document copying not specifically otherwise agreed to by the Agency; etc. You must submit a price for every line item in the solicitation in which you are bidding for the Bid to be valid.

3.2.3 All Materials and labor that ultimately become a part of the completed structure or improvement that constitutes the Project will be exempt from State Sales Tax as provided in Section 5739.02, ORSC, and State Use Tax as provided in Section 5741.01, ORC. The purchase, lease or rental of material, equipment, parts, or expendable items such as form lumber, tools, oils, greases, and fuels, which are used in connection with the work, are subject to the application of State Sales Tax and State Use Tax.

3.3 Additional Information Pertaining to the above Pricing Items.

3.3.1 Quantities.

All quantities entered by the Agency herein and within the corresponding Pricing Items on the Marketplace are for calculating purposes only. As may be further detailed herein, the Agency expects you to verify the number and types of units that are to be inspected with the HUD regulations. An award ensuing from this IFB, is expected to be an Indefinite Quantity contract (IQC), for the work that is presented in this IFB, in which case the Agency shall retain one contractor only for the services the Agency requires. Please note the following exception to the aforementioned "Requirements Contract" language.

Exception to 3.3.1.

Guaranteed Contract Minimum Amount and not-to-exceed Maximum Amount. As may be further detailed herein, most specifically within the preceding Section 3.3.1.1, if the ensuing contract(s) becomes an Indefinite Quantities Contract (IQC), which, pursuant to HUD regulation, requires the Agency to award to each responsive and responsible contractor a Guaranteed Contract Minimum Amount (GCMA) and a Not-to-exceed Maximum Contract Amount (NMCA) of work, those required minimum and maximum contract levels are: (a) GCMA: \$1,000; (b) NMCA: \$100,000; (each shall be annual amounts of all IQC contracts for Lawn Care Services).

3.3.2.2 Determination of the Lowest Calculated Labor Cost. After a bidder has entered their proposed Labor unit costs for the Pricing Items, the Contractor will total the proposed Labor unit costs by the listed quantities.

3.3.2.3 Assumption. Pertaining to the Pricing Items listed within Table No. 3, it shall be the Agency's assumption that the successful bidder has:

3.3.2.3.1 Submitted a bid in response to this IFB. The successful bidder automatically agrees that such is accurate. Accordingly, the Agency may use such assumption, if necessary, to do any lump-sum bid or estimate breakdown calculation that may be needed during the ensuing contract period.

3.3.2.4 HUD Maintenance Wage Rates Determination (MWRD). Please see Attachment G-8, attached hereto. HUD has determined that, for non-construction maintenance work (work not covered by Davis-Bacon requirements, which is construction-related only), the Agency must ensure that Contractors do not pay its employees that perform such work for the Agency at a rate less than the rates listed on the HUD MWRD.

3.3.2.4.1 Therefore, by submitting a bid, each bidder is thereby agreeing to and verifying that he/she will not pay his/her employees at rates less than detailed within Attachment G-8, attached hereto. Please note that, as detailed within Section 10.10 of HUD Procurement Handbook 7460.8 REV 2 (most specifically within Section 10.10.E therein), the Contractor may not be required to submit certified payrolls; however, the Contractor must make its payroll records available to either the Agency or HUD on request, and failure on the part of the Contractor to comply with this requirement will be the sole responsibility of the Contractor, including any ensuing penalties, court costs, or wages due to employees as a result of the Contractor's failure to comply.

3.3.2.4.2 To be clear, unless the Agency declares a job to be construction-related, which will be atypical, the Contractor shall assume that all remaining work assigned by the Agency will be

maintenance-related; accordingly, the MWRD will typically apply to the work.

3.3.3 Overtime. Pursuant to the Contract Work Hours and Safety Standards Act, overtime shall be not less than time and one half for hours worked in excess of 40 hours per week. The Agency shall consider regular time to be Monday-Friday (excluding holidays), 8:30 AM - 5:00 PM. Accordingly, should the contractor elect to work beyond a regular 40-hour week, his employees would be entitled to overtime. The contractor must obtain approval by LMH to work outside normal business hours at its sites.

3.3.3.1 The Agency shall NOT be responsible to pay the successful bidder for any work that the successful bidder CHOOSES to work during non-regular-time hours; meaning, if the necessity for the work “after hours” is due to the Contractor’s lack of staffing or if such work is to support any of the work the Agency expects that such work will be provided during normal work hours. The exception to this shall be if a “non-normal” action by the Agency or an “Act of God” causes the Contractor to work “after hours” to solve the problem, then aforementioned over-time rule shall apply. All such overtime work must be pre-approved in writing by the Agency.

3.3.4 No Deposit/No Retainer. The Agency will NOT pay any deposit or retainer fees as a result of award of the ensuing contract. This means that the Agency will pay the successful bidder(s) for the firm-fixed fees or, in the case of the potential additional consulting hourly fee, actual hours worked only. The Contractor will be required to submit a full back-up detail of all hours worked, listed by no less than the “15-minute” standard.

3.3.5 Prior Agency Approval Required. Please note that the successful bidder shall NOT conduct any work without the prior written authorization of the Agency representative (this “prior written authorization” may take the form of an email sent to the successful bidder by the Agency and acknowledged by return email by the successful bidder). Failure to abide by this directive shall release the Agency of any obligation to pay the successful bidder for any work conducted without the noted prior written authorization.

3.4 Bid Submission. All “hard-copy” bids must be submitted and time-stamped received in the designated Agency office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

copy of the “hard copy” bid submittal, shall be placed unfolded in a sealed package and addressed to:

**Lucas Metropolitan Housing Authority
Attention: Gary McPheron
424 Jackson Street, Toledo, OH 43604**

- 3.4.1 Submission Package Markings.** The package exterior must clearly denote the above noted IFB number and must have the bidder’s name and return address.
- 3.4.2 Submission Conditions.** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS, OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Bidders are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the Agency by the bidder, such may invalidate that bid. If, after accepting such a bid, the Agency decides that any such entry has not changed the intent of the bid that the Agency intended to receive, the Agency may accept the bid and the bid shall be considered by the Agency as if those additional marks, notations, or requirements were not entered on such. By accessing the eProcurement Marketplace, registering, and downloading these documents, each prospective bidder that does so is thereby agreeing to confirm all notices that the Agency delivers to him/her as instructed, and by submitting a bid, the bidder is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this IFB.
- 3.4.3 Submission Responsibilities.** It shall be the responsibility of each bidder to be aware of and to abide by all dates, times, conditions, requirements, and specifications set forth within all applicable documents issued by the Agency, including the IFB document, the documents listed within the following Section 3.8, and any addenda and required attachments submitted by the bidder. By virtue of completing, signing, and submitting the completed documents, the bidder is stating his/her agreement to comply with all conditions and requirements set forth within those documents. Written notice from the bidder not authorized in writing by the CO to exclude any of the Agency requirements contained within the documents may cause that bidder to not be considered for award.
- 3.5 Bidder’s Responsibilities – Contact with the Agency.** It is the responsibility of the bidder to address all communication and correspondence pertaining to this IFB process to the CO only. Bidders must not make inquiry or communicate with

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

any other Agency staff member or official (including members of the Board of Commissioners) pertaining to this IFB. Failure to abide by this requirement may be cause for the Agency to not consider a bid submittal received from any bidder who may not have abided by this directive.

3.5.1 Addenda. All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective bidders (i.e. firms or individuals that have obtained the IFB Documents). During the IFB solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the IFB are made—between the Agency and a prospective bidder when other prospective bidders are not present) conversations that may give one prospective bidder an advantage over other prospective bidders. This does not mean that prospective bidders may not call the CO—it simply means that, other than making replies to direct the prospective bidder where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective bidder's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective bidders in writing by addendum.

3.6 Bidder's Responsibilities – Equal Employment Opportunity and Supplier Diversity. Both the Contractor and the Agency have, pursuant to HUD regulation, certain responsibilities pertaining to the hiring and retention of personnel and subcontractors.

3.6.1 Within 2 CFR §200.321 it states:

3.6.1.1 Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.

3.6.1.2 (a) The Non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

3.6.1.3 (2) Affirmative steps must include:

3.6.1.3.1 (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

3.6.1.3.2 (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

- 3.6.1.3.3 (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- 3.6.1.3.4 (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
- 3.6.1.3.5 (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- 3.6.1.3.6 (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

3.6.2 Within HUD Procurement Handbook 7460.8 REV 2 it states:

- 3.6.2.1 Section 15.5.A, Required Efforts. Consistent with Presidential Orders 11625, 12138, and 12432, the [Agency] shall make every effort to ensure that small businesses, MBEs, WBEs, and labor surplus area businesses participate in [Agency] contracting.
- 3.6.2.2 Section 15.5.B, Goals. [The Agency] is encouraged to establish goals by which they can measure the effectiveness of their efforts in implementing programs in support of . . . contracting with disadvantaged firms. It is important to ensure that the means used to establish these goals do not have the effect of limiting competition and should not be used as mandatory set-aside or quota, except as may otherwise be expressly authorized in regulation or statute. Some localities have adopted minority contracting set-aside policies or geographic limitations, which may be in conflict with Federal requirements for full and open competition.

3.6.3 Within our Agency Procurement Policy it states that our Agency will:

3.6.3.1 Assistance to Small and Other Business, Required Efforts:

- 3.6.3.1.1 Including such firms, when qualified, on solicitation mailing lists;
- 3.6.3.1.2 Encouraging their participation through direct solicitation of bids or bids whenever they are potential sources;
- 3.6.3.1.3 Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by such firms;
- 3.6.3.1.4 Establishing delivery schedules, where the requirement permits, which encourage participation by such firms;
- 3.6.3.1.5 Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce;
- 3.6.3.1.6 Including in contracts, to the greatest extent feasible, a clause requiring contractors, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which provide opportunities to low-income residents, as described in 24 CFR Part 135 (so-called Section 3 businesses); and
- 3.6.3.1.7 Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed above.

3.7 Pre-bid Conference Meeting. The scheduled pre-bid conference meeting identified on Page 4 of this document is, pursuant to HUD regulation, not mandatory. Many prospective bidders have previously responded to an IFB with a multi-tabbed submittal and feel comfortable in doing so without attending the pre-conference meeting. Typically, such meetings last 1-1/2 to 2 hours or less, though such is not guaranteed. The purpose of this conference meeting is to assist prospective bidders in having a full understanding of the IFB documents so that he/she feels confident in submitting an appropriate bid; therefore, at this conference meeting the Agency will conduct an overview of the IFB documents,

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

including the attachments. Prospective bidders may also ask questions, though the Moderator may require that some such questions are delivered in writing prior to a response. Whereas the purpose of this conference meeting is to review the IFB documents, attendees should have a copy of the IFB documents available during the conference meeting.

3.8 Recap of Attachments. It is the responsibility of each bidder to verify that he/she has downloaded the following attachments pertaining to this IFB, which are hereby by reference included as a part of this IFB:

4.0 BID EVALUATION.

4.1 Public Opening. At the set date and time, all bids received will be opened and publicly read aloud by the CO, including the company name of the bidder and the total calculated costs proposed. At the bid opening the Agency will only disclose the following information: (a) The company name of each bidder; and (b) **the calculated total amount bid.** A copy of the bid tabulation or recap recorded will be made available to each member of the public attending such opening and to anyone who requests such afterwards. The bids will not be made available for inspection by anyone at this time; the Agency will, at a later time, review all bids in detail and will, in a timely manner (within 5 days), notify all bidders of any bidder that is, as a result of the more detailed inspection of bids submitted, ruled to be non-responsive or not-responsible (please remember, as detailed within Section 8(d) of form HUD-5369 and Section 7(b)(3) of form HUD-5369-B, the Agency reserves the right to, as determined by the Agency, “waive informalities and minor irregularities” in the offers received. Bids will be available for inspection by the public after the award has been completed.

4.1.1 Ties. In the case of bids, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”

4.2 Responsive Evaluation. After the public opening the “hard copy” bid submittals received will be evaluated in private for responsiveness (i.e. meets the minimum of the requirements). Firms not meeting the minimum that are deemed to be non-responsive will be notified of such in writing by the Agency in a timely manner (in any case, in no less than 5 days after such determination is made).

4.3 Responsible Evaluation. The Agency will evaluate each bid submitted as to responsibility (e.g. a firm that is qualified, responsible and able to provide to the Agency the required services in the scheduled timeframe). If the Agency ascertains that such firm has the required ability, capability, experience, knowledge, licensing, insurance and resources to provide the required services, the Agency may proceed with award as detailed herein. If the Agency determines that such firm is deemed to be not responsible, such firm will be notified of such in writing by the Agency in a timely manner (in any case, in no less than 5 days

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

after such determination is made); in such case the Agency may proceed with the noted Responsive and Responsible Evaluations with the next lowest bidder.

4.3.1 Depending on the amount of the award, it is possible that the Agency may take such contract award to the Agency Board of Commissioners (BOC) for approval of the award prior to executing a contract with the apparent successful bidder(s).

4.4 Restrictions. Any and all persons having ownership interest in a bidder entity or familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a bidder entity will be excluded from participation in the evaluation of the bid.

5.0 CONTRACT AWARD.

5.1 Contract Award Procedure. If a contract is awarded pursuant to this IFB, the following detailed procedures will be followed:

5.1.1 By completing, executing and submitting a bid, the “bidder is thereby agreeing to abide by all terms and conditions pertaining to this IFB as issued by the Agency, either in hard copy or obtained on the eProcurement Marketplace,” including the contract clauses already attached as Attachments G and G-1, G-2, G-5, G-8, G-11 and G-12, each attached hereto. Accordingly, the Agency has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.2 Contract Conditions. The following provisions are considered mandatory conditions of any contract award made by the Agency pursuant to this IFB:

5.2.1 Contract Form. The Agency will not execute a contract on the Contractor’s form—contracts will only be executed on the Agency form (please see Sample Contract G and, G-1, G-2, G-5, G-8, G-11 and G-12, each attached hereto), and by submitting a bid the Contractor agrees to do so (please note that the Agency reserves the right to amend this form as the Agency deems necessary). However, the Agency will during the IFB process (prior to the posted question deadline) consider any contract clauses that the bidder wishes to include therein and submits in writing a request for the Agency to do so; but the failure of the Agency to include such clauses does not give the Contractor the right to refuse to execute the Agency’s contract form. It is the responsibility of each prospective bidder to notify the Agency, in writing, prior to submitting a bid, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The Agency will consider and respond to such written correspondence, and if the prospective bidder is not willing to abide

INVITATION FOR BIDS - IFB23-B005, REDM Lawn Care Services

by the Agency's response (decision), then that prospective bidder shall be deemed ineligible to submit a bid.

5.2.1.1 Mandatory HUD Forms. Please note that the Agency has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this IFB.

5.2.2 Assignment of Personnel. The Agency shall retain the right to demand and receive a change in personnel assigned to the work if the Agency believes that such change is in the best interest of the Agency and the completion of the contracted work.

5.2.3 Unauthorized Sub-Contracting Prohibited. The Contractor shall not assign any right, nor delegate any duty for the work proposed pursuant to this IFB (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the Agency, or may result in the full or partial forfeiture of funds paid to the Contractor as a result of the proposed contract; either as determined by the CO.

5.3 Contract Period. The Agency anticipates that it will initially award a contract for the period of one year with the option, at the Agency's discretion, of four (4) additional one-year option periods, for a total maximum contract period of five (5) years.

5.4 Insurance Requirements. Prior to award (but not as a part of the bid submission) the *Contractor* will be required to provide:

5.4.1 Workers Compensation Insurance. An original certificate evidencing the bidder's current industrial (worker's compensation) insurance carrier and coverage amount (NOTE: Workers Compensation Insurance will be required of any Contractor that has employees other than just the owner working on-site to provide the services);

5.4.2 General Liability Insurance. An original certificate evidencing General Liability coverage, naming the Agency as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the Agency as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a maximum deductible amount of \$5,000;

- 5.5 City/County/State Business License.** A copy of the bidder's business license allowing that entity to provide such services within the City of Toledo, Lucas County, and/or the State of Ohio. Each bidder is required to enter related information where provided for on the Profile of Firm Form (Attachment 4.0)
- 5.6 Certificates/Profile of Firm Form.** Pertaining to the aforementioned (within Sections 5.4.1 through 5.4.3 and 5.5) insurance certificates and licenses, each bidder is required to enter related information where provided for on the Profile of Firm Form.
- 5.7 Right to Negotiate Final Fees.** The Agency shall retain the right to negotiate the amount of fees that are paid to the Contractor, meaning the fees proposed by the top-rated bidder may, at the Agency's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the Agency has chosen a top-rated bidder, after the determination that the bidder is responsive and responsible. If such negotiations are not, in the opinion of the CO successfully concluded within five (5) business days, the Agency shall retain the right to end such negotiations and begin negotiations with the next-rated bidder. The Agency shall also retain the right to negotiate with and make an award to more than one bidder.
- 5.8 Contract Service Standards.** All work performed pursuant to this IFB must conform and comply with all applicable local, state, and federal codes, statutes, laws, and regulations.
- 5.9 Prompt Return of Contract Documents.** All documents required to complete the contract, including contract signature by the successful bidders, shall be provided to the Agency within 10 workdays of notification by the Agency.
- 5.10 CONFIDENTIALITY.** Any vendor that has access to confidential information will be required to keep that information confidential.
- 5.11 Public Records Law.** All bids/proposals submitted to LMH are subject to the Ohio Public Records Law (O.R.C. 149.43 and the Sunshine Act [5 USC 522(b)] and may be subject to disclosure to the public. Information in proposals that would be deemed a trade secret or otherwise not subject to disclosure under public records laws shall be clearly indicated as such by the contractor, including citations from the Ohio Public Records Law or the Sunshine Act for the exemptions. Also, the contractor shall submit one hard copy and upon request, one electronic copy of its

proposal and other submissions, which has been redacted of all trade secrets and other information not subject to disclosure pursuant to a public records request. Failure to do so may subject the entire contents to disclosure under public records laws.

- 5.12 Termination.** The Authority will only give one verbal notification to the contractor to cure deficiencies. A second notification to the contractor for deficiencies will be in writing and will clearly state that, if required, a third notification will result in termination.

- 5.13 Normal Agency Work Hours.** The Agency’s typical work week is Monday-Friday, 8:30 AM to 5:00 PM.

- 5.14 Smoking Policy:** Smoking has been banned from all LMH properties. Smoking shall only be allowed in posted designated areas or a minimum of 20 feet away from building windows and doors.
