10.0 24 CFR 200.326, Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. Pursuant to this CFR, as issued by the Office of the U.S. Secretary of HUD, the JHA, and the Contractor each agree to comply with the following provisions and agree that any contract that ensues as a result of this RFP will include the following clauses, whether inserted or by reference:

10.1 Remedies for Contractor Breach: Pertaining to contract-related issues, it is the responsibility of both the JHA and the Contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this Contract the JHA or the Contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the JHA has the right to issue unilateral addendums to this Contract, but the Contractor does not have the same right). The other party shall, within 10 days, respond in writing to the other party (however, the JHA shall retain the right to, if conditions warrant, require the Contractor to respond in a shorter period of time). Further, the JHA shall, at a minimum, employ the following steps in dealing with the Contractor as to any performance issues:

10.1.1 If the Contractor is in material breach of the Contract, the JHA may promptly invoke the termination clause detailed within Section No. 3 of Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I (With or without Maintenance Work)*, which is attached hereto, and terminate the Contract for cause. Such termination must be delivered to the Contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

10.1.2 Prior to termination, the JHA may choose to warn the Contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the Contractor on probation, thereby giving the Contractor a certain period of time to correct the deficiencies or potentially suffer termination. The JHA shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the Contractor does not agree with such action, the Contractor shall have ten 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the JHA's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the JHA's alleged incorrect action(s).

JHA Contract No. C24-XXX

Solicitation No. XX-XXX-XX – [SOLICITATION TITLE]

- 10.1.3** After termination, if the Contractor does not agree with the JHA's justification for the termination, the Contractor shall have 10 days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the JHA's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the JHA's alleged incorrect action(s).
- 10.1.4** The response to any protest received shall be conducted in accordance with Section No. 4.0 of the *Instructions to Proposers and Contractors* document.
- 10.2 Termination For Cause and Convenience:** For all contracts in excess of \$10,000, as detailed within Clause No. 3 of Contract Appendix No. 1, form HUD-5370-C (01/2014), General Conditions for Non-Construction Contracts, Section I— (With or without Maintenance Work), attached hereto. In addition to the immediate foregoing, if the Agency terminates the Contractor for convenience, the Agency is obligated to, as detailed within Section 11.6.C.2 of HUD Procurement Handbook 7460.8 REV 2, negotiate with and pay to the Contractor a “reasonable allowance for profit” for the remainder of the contracted period.
- 10.3 Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- 10.4 Davis-Bacon Act: as amended (40 U.S.C.3141–3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C.3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors [are] required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors [are] required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 10.6 Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11.0 Additional Considerations:

11.1 Right of Joinder:

11.1.1 Any political subdivision within the State of Florida (or any other jurisdiction within the United States) may be granted the privilege of joining the awarded Contract, only at the option of the Contractor. If the Contractor so grants such a privilege, the terms, and conditions of the RFP documents, including the ensuing Contract, may be passed on to the joining political subdivision by the Contractor.

11.1.2 The Contractor shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded Contract. liable for the joining political subdivision obligations to the Contractor in any manner whatsoever.

- 11.2 Non-Escalation:** Unless otherwise specified within the RFP documents, the unit prices reflected on the Contract shall remain firm with no provision for price increases during the term of the Contract.
- 11.3 Funding Restrictions and Order Quantities:** The JHA reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the JHA, if:
 - 11.3.1** funding is not available;

- 11.5 Taxes:** All persons doing business with the JHA are hereby made aware that the JHA is exempt from paying Florida State and Duval County Sales and Use Taxes and Federal Excise Taxes. A letter of Tax Exemption will be provided upon request.
- 11.6 Government Standards:** It is the responsibility of the proposer to ensure that all items and services proposed conform to all local, State and Federal law concerning safety (OSHA and NOSHA) and environmental control (EPA and Pollution Regulations) and any other enacted ordinance, code, law or regulation. 11.8.2 Unless otherwise stipulated in the Contract, any order that will take more than a maximum of 10 days past the original agreed upon delivery date, may at the option of the JHA, be canceled and ordered from another source, if, in the opinion of the CO, it is in the best interests of the JHA to do so.

11.9 Work on JHA Property: If the Contractor's work under the Contract involves operations by the Contractor on JHA premises, the Contractor shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the JHA's negligence, shall indemnify the JHA, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the Contractor, its agents, employees, or subcontractors.
