QSP 17-Q013
Debt Collection Services**

Issue Date: November 29, 2017

Due Date: December 20, 2017 at 3:00 pm ET

Expected Begin Date: February 1, 2018

Overview

Lucas Metropolitan Housing Authority is seeking written quotations from one or more qualified, licensed and bonded entities to provide debt collection services. Proposers which employ or will retain attorneys, to submit proposals to enter into a one (1) year agreement with LMHA (the "Agreement") with an option by LMHA to extend for four (4) subsequent agreements, for the purpose of handling debt collection matters on LMHA's behalf. These matters generally consist of collecting and remitting to LMHA any claims and judgments against current or former LMHA tenants, both residential and commercial (collectively, "LMHA's Tenants"), and against LMHA's current or former Section 8 Housing Choice Voucher Program landlords (the "Section 8 HCVP Landlords").

The debt collection companies awarded an Agreement hereunder may also be directed to handle other miscellaneous collection matters on LMHA's behalf, including collections from contractors and former LMHA employees. LMHA anticipates that the largest segment of collection work will include claims against its former residential tenants. The Debt Collection Company must report monthly to at least one of the top 3 credit reporting agencies on outstanding and repaid debts.

Debt collection companies that are interested in submitting proposals will be referred to hereinafter as "Proposers." Debt collection companies awarded an Agreement hereunder will be referred to hereinafter as "Debt Collection Companies."

At October 2017, the uncollected accounts for period January 2017 - October 2017 totaled approximately \$145,671.00. LMHA, however, does not warrant or guarantee that LMHA will refer a specific number of collection matters or dollar amount of debt to any Debt Collection Company during the term of any Agreement. LMHA reserves the right, in its discretion, to assign any matter to any Debt Collection Company awarded an Agreement.

Scope of Services

The Lucas Metropolitan Housing Authority (LMHA) is seeking proposals from one or more qualified licensed, insured and bonded entities to provide various debt collection services.

1. Program Areas Wherein LMHA Typically Experiences "Bad Debt":

LMHA experiences "bad debt" in three (3) areas:

1.0 Public/Affordable Housing Programs: LMHA collects monthly rent payments from residents residing in its Public Housing (PHA) and Affordable Housing (AHP) programs. At times, these persons may vacate the unit without paying LMHA all the monies owed (i.e. rental; repairs; etc.). LMHA attempts to collect these monies due. The monies owed for these "write-off" accounts are what LMHA will typically allow the Debt Collection Company to attempt to collect.

1.1 Section 8 Landlords: The U.S. Department of Housing (HUD) provides funding through LMHA to provide rental assistance to low-income families through the Housing Choice Voucher Program (Section 8). LMHA enters into Housing Assistance Payment contracts (HAP) with owners of private properties to provide housing assistance. At times, circumstances, such as a family leaving a unit without notifying LMHA, may result in the owner receiving overpayments from LMHA. In such cases, LMHA may be unable to recapture those funds or the owner does not respond to the notices from LMHA, then LMHA may assign such cases to the Debt Collection Company to collect those overpaid funds.

1.2 Section 8 Rents: Periodically, some participants (tenants) under the above noted Section 8 program may have their lease terminated by LMHA due to their failure to report accurate income to LMHA. If LMHA is unable to collect any delinquent rental funds due, LMHA may choose to assign these cases to the Debt Collection Company.

Contractor Obligations: The Debt Collection Company shall be responsible to:

2.0 Conduct all activities in compliance with all applicable Federal, State and local laws, codes and regulations;

2.1 Report monthly to at least one of the top 3 credit reporting agencies on outstanding and repaid debts;

2.2 Provide a monthly reporting of clients filed with the credit bureau;

2.3 Provide a monthly reporting of payments received to include the outstanding balance remaining on the individual's debt to LMHA;

2.4 Address only those accounts that LMHA assigns to the Debt Collection Company;

- 2.5 When directed by LMHA, cease work on and return to LMHA all documentation pertaining to any account that may have been previously assigned;
- 2.6 Deposit, in a timely manner, in a separate trust account, any collections completed on behalf of LMHA. Distribution of such to LMHA shall be completed in a timely manner, at least once per month;
- 2.7 Pertaining to each account, deliver to LMHA at least once per month a report detailing the current status of the account, including a brief recap of the Debt Collection Company's efforts to collect the funds;
- 2.8 Not initiate any legal action pertaining to any account without the prior written permission of LMHA;
- 2.9 Not initiate any contact with any credit reporting agency, pertaining to any account, without the prior written permission of LMHA;

Ensure that all records pertaining to any current or past accounts assigned is immediately, upon request, available for audit by LMHA or its authorized representative; and

2.10 At all times when addressing the assigned accounts by LMHA conduct the collection efforts in a legal manner.

3. LMHA Obligations: LMHA shall be responsible to notify the Debt Collection Company in writing of:

3.0 Any case LMHA wishes the Debt Collection Company to proceed with; and

3.1 Any changes to such case of which the Debt Collection Company needs to be aware.

4. **Commissions:** Typically (though not always), LMHA will only assign cases for collection to the Debt Collection Company after LMHA has, for some time, attempted to collect the delinquent monies. For such cases, LMHA will then cease its efforts to collect the delinquent payments and will assign the case to the Debt Collection Company for an initial minimum period of 90 days. Once LMHA has assigned such a case to the Debt Collection Company, if the delinquent party pays directly to LMHA in response to LMHA's previous attempts to collect the delinquent monies, LMHA shall not be responsible to pay to the Debt Collection Company, a commission on such cases, but will pay to the Debt Collection Company an administrative fee for the Debt Collection Company to return the case to LMHA. This administrative fee is one of the proposed fees that must be submitted by the proposer. If the delinquent party pays directly to the Debt

Collection Company rather than to LMHA, all agreed upon commissions will be in effect.

2. Changes

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

 - (iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. PART VI. OTHER REQUIREMENTS

Outreach Plan:

Check all methods you will employ to hire Section 3 residents. Posting the position in community sources that are generally available to low-income residents and the general public is a standard requirement.

Check at least three (3) other methods you will employ:

- The local community newspaper(s)
- The most widely distributed newspaper
- LMHA website
- LMHA properties management offices in a conspicuous location
- Homeless service agencies
- Local HUD-supported housing communities
- Local Workforce Board
- Other locations as approved by LMHA
- Email blast residents on LMHA Section 3 Resident List
- Post notices on social media controlled by LMHA

Documentation of “To the Greatest Extent Feasible”:

The contractor will work with LMHA Section 3 Coordinator and other designated staff to notify residents of any opportunities afforded under the contract. The contractor will collaborate with LMHA by giving preference of any employment opportunities to the Section 3 persons or business concerns.

The contractor and subcontractor(s) shall recruit or attempt to recruit from LMHA’s Section 3 area, based on the priority order in LMHA’s Section 3 Plan, the necessary number of low-income and very low-income residents through documentation of their efforts and of any impediments to comply. LMHA’s contractors and subcontractors shall:

1. Maintain a list of all low-income area residents who have applied, either on their own or from referral from any source, and employ such person if otherwise qualified and if a vacancy exists.
2. Review and consider the Section 3 Resident List provided by LMHA prior to making new hires. If those hired are not Section 3 residents, or are in a lower preference category, the Contractor must explain in writing the qualifications that those on Section 3 Resident List lacked, or other reason for non-hire (e.g., job offer declined).
3. Provide evidence that the contractor has not filled vacant employment positions in its workforce immediately prior to undertaking work in an attempt to circumvent Section 3 regulations.

Review and determine if low-income and very low-income residents meet minimum hiring qualifications. Applicants meeting such minimum qualifications, but not hired due to lack of job openings or for other operations reasons, will be placed on a priority-hiring list and offered positions upon the occurrence of the first available appropriate job opening.

Recordkeeping:

The contractor shall maintain on file all records related to employment and job training of low-income and very low-income residents or other such records, advertisements, legal notices, brochures, flyers, publications, assurances of compliance from subcontractors, etc., in connection with this contract. If there is a report that is needed as part of the submission, you agree to provide it timely. The contractor shall, upon request, provide such records or copies of records to LMHA, its staff, or agents.

Reports:

The contractor shall provide reports as required in connection with the contractor specifications. All certified and regular payrolls shall clearly detail which employees qualify under Section 3.

Certification:

The contractor will certify that any vacant employment positions, including training positions, that filled...

- (1) after the contractor is selected but before the contract is executed; and
- (2) with persons other than Section 3 residents

...were not filled to circumvent the subcontractor's obligations under 24 CFR Part 135.

Other Economic Opportunities:

If a contractor has demonstrated that it has no need or plans to subcontract or hire and can demonstrate that it has attempted, to the greatest extent feasible, to hire/contract Section 3 residents and/or contractors, it has fully complied and may move forward and secure non-Section 3 persons or firms.

If a contractor does not trigger the requirements of Section 3 but chooses to offer other economic opportunities such as training, mentoring, or business development for Section 3 residents of LMHA, it may offer to do so in a thorough written plan to the Section 3 Coordinator. These opportunities must be described in a written plan on how the contractor will offer other economic opportunities expressing the outreach, number of persons to be affected, and outcomes.

A contractor that has a need to hire or sub-contract may not use other economic opportunities as a substitute to attempt to meet hiring or contracting goals; the contractor must still demonstrate how it attempted to the greatest extent feasible, to meet the goals.

Grievance and Compliance:

The contractor or sub-contractor hereby acknowledges that they understand that any low-income and very low-income resident of the project area, for him/her or as representatives of persons similarly situated, seeking employment or job training opportunities in the project area, or any eligible business concerns seeking contract opportunities may file a grievance if efforts to the greatest extent feasible were not executed. The grievance must be filed with HUD not later than one hundred eighty (180) calendar days from the date of the action (or omission) upon which the grievance is based.

SECTION 3 CONTRACT COMPLIANCE CURE AND TERMINATION PROCESSES

This language is a component of contract compliance with the work contractors and sub-contractors including developers respond to in LMHA solicitations. The full requirements are provided in the Section 3 Clause found elsewhere in this package or in the HUD forms 5370-C or 5370 C1 as may be applicable.

All contractors claiming a Preference in contracting by meeting any of the three Preference requirements including a Resident Owned Business, Hiring 30% of New Hires and/or Sub-contracting at least 25% of total award to a Section 3 Concern shall maintain that status throughout the life of the contract. Failure to meet this requirement will result in penalties up to and including contract termination. Any contractor triggering the regulation by doing any hiring or contracting once they are awarded the contract through contract execution must comply with the Section 3 requirements by executing the efforts on their Certification and Action Plan in accordance with LMHA Section 3 Action Plan.

LMHA shall execute these remedies to achieve compliance in this order:

- A. Based on the first observation or report of non-compliance with Section 3, the contractor will be sent an e-mail from LMHA notifying them of their non-compliance issue. The contractor will have until the next payroll or 14 calendar days, whichever is lesser to bring the contract into compliance.
- B. If at any time a contractor fails to bring the contract into compliance, LMHA must withhold all future payments until the contract is in compliance.
- C. The contractor shall have up to 15 business days from the most recent notice of non-compliance to meet compliance as a final cure period or justify in writing to LMHA why it cannot meet compliance. LMHA must render a response to the contractor within 10 business days of receipt of its letter of reason for non-compliance. If LMHA deems the cause to be unacceptable, at its option, LMHA can extend the cause period one time for up to 5 days to allow the contractor to identify and secure other compliance options, or
- D. If the contractor fails to take any corrective action to bring the contract into compliance within seven (7) business days from the most recent notice of non-compliance, or LMHA does not accept any of the contractor's corrective plans or justifications for non-compliance, LMHA must terminate the contract immediately. **All funds due to the contractor shall be held** and a financial workout of the agreement shall proceed within 24 hours of termination. The workout is to include a contract deduct equal to the total Section 3 contract violation of opportunities provided to non-Section 3 residents or business because they were not offered according to the contract and regulation award. All remaining funds can be paid out based on work satisfactorily completed per the agreement.

Any contractor claiming to meet Section 3 compliance by committing to hire residents, fund training itself **shall meet compliance within seven (7) calendar days of contract start** or LMHA shall halt all payments to the contractor and its sub-contractors related to the agreement and the actions listed in steps A-D in this Section shall apply.
