This Addendum to the Request for Qualifications (RFQ) serves to notify all interested bidders of clarifications and or changes to RFQ No. Q19001, and becomes part of this RFQ. Contractors are required to acknowledge receipt of this addendum in their proposal. If not acknowledged, Contractor's proposal may be considered "non-responsive."

- **CHANGES TO RFQ Q19001 - SECTION 5.01 TABBED PROPOSAL SUBMITTAL**
  - In Section 5.01 – Tabbed Proposal Submittal, Tab 4 (8<sup>th</sup> Tab 4) states proposers must provide,

*"An explanation and copies of forms that will be used and reports that will be submitted and the method of submission of such reports (i.e. written; fax; Internet; etc.)."*

Please omit this explanation from your proposals. Fresno Housing Authority Staff decided this explanation is not necessary for submission. However, if your firm already submitted this explanation, we will accept it, though FHA Staff will not evaluate it.

All other requirements of this RFQ remain unchanged. Thank you for your interest in doing business with the Agency and we look forward to receiving a proposal from your company.
