## Addendum #1

**1. Question:** Is Commercial General Liability insurance needed?

Answer: General Liability and Commercial General Liability are the same types of insurance. We do require Business General Liability insurance; however, LMHA is willing to lower the limits of liability to \$500,000 per occurrence for personal injury and property damage.

**2. Question:** What development platform/content management system (CMS) is the new website being built in? (i.e. WordPress, Drupal, Joomla)

Answer: LMHA's website was built with a proprietary CMS.

**3. Question:** Is there an updated launch date of the website?

Answer: Upon approval of the CEO the website launch will occur. All departments have yet to submit their content and we will most likely roll some departments out after launch.

**4. Question:** Is there free WiFi access at the housing facilities?

Answer: At this time, there is no free WIFI access at the housing facilities.

**5. Question**: Do you have an estimate of how many Press Releases are typically generated during a typical 12 month period?

Answer: There were approximately 6-8 press releases in 2016.

6. Question: Are resident services/programs universal across all communities?

Answer: All public housing residents have access to the services provided by the Resident Services department, however the need may be different based on the community. For instance, the need at a Senior site is different from a Family site.

7. Question: Are paid media placement costs included within the \$100,000 marketing budget? Answer: We will look to you for your input regarding those costs and make a determination during our evaluation.
