How many weekly/monthly/annually hours are required for this bid?**

**Question 4: Is there any minimum wage/pay? Is there any prevailing wage, living wage ordinance, state or local mandated wage, contract specific wage, or collective bargaining agreement?**

**Answer 4:** No. Vendors must comply with state and federal regulations regarding wage rates.

**Answer 5:** No. There is not a limit on the number of pages in the proposal; we do request single sided submissions. (Sec. VIII Responses, pg. 9)

**Question 6: Are vehicles required for this bid? If so, how many and what type are needed?**

**Answer 6:** Yes. The security service requires mobile patrolling. The vendor shall have vehicles that readily identify them as security.

**Question 9: Can you bid on only one of the positions or do you have to bid on all the positions?**

**Answer 9:** There are 3 categories of service (non-commissioned, commissioned, peace officer) and various services (stationed guard, fire-watch, etc). Respondents are not required to bid on all categories or services, but make sure "no bid" is indicated in the areas not being bid, do not enter \$0.00 unless there is no charge (\$0.00 = free).
