Exterior Painting and Repairs at 96 West Apartments

Deadline Extension

Due to a conflict in the Housing Authority's hours of operation and the current bid due date, we are extending the deadline. The bids were originally issued with a due date of June 27. The Housing Authority Office scheduled to be closed for most of the week of June 26-30 for training.

Consequently, we are extending the deadline for submission to July 6, 2017 at 10:00 a.m.

Time for Project Completion

The time allowed for completion of the project has been changed from 49 days to 60 days.
