Section 3 Requirements

Section 3 requirements apply to all projects and activities funded in whole or in part with covered funds. If any HUD funding is used for the project/activity, then the entire project budget is then subject to Section 3 requirements.

Section 3 requirements do not apply to any agreement or contract for the purchase of supplies and materials only.

It is LMHA's policy to achieve Section 3 goals by providing opportunities in one or more of the following areas:

A. Training and Employment Opportunities for Section 3 Residents

When the Section 3 regulation is triggered by the need for new hires, LMHA and its contractors and subcontractors will make every effort within their disposal to the greatest extent feasible to attempt to hire Section 3 residents amounting to at least 30% of the aggregate number of full-time new hires.

When hiring opportunities are offered and all requirements are met and remain equal, LMHA, contractors and subcontractors shall direct their efforts to hire Section 3 residents in the order of priority preference provided below:

1. Residents at the housing development where the work is being performed (Category 1 residents).
2. Residents of other LMHA public housing developments and holders of housing choice vouchers (Section 8 rent assistance) managed by LMHA (Category 2 residents).
3. Participants in Youthbuild programs being carried out in the metropolitan area in which Section 3 covered assistance is expended (Category 3 residents).
4. Other Section 3 area residents (Category 4 residents).

B. Contracting Opportunities for Section 3 Business Concerns

When the Section 3 regulation is triggered by the need for subcontracting a portion of the work to another business, LMHA and its contractors and subcontractors will make every effort within their disposal to the greatest extent feasible to attempt to subcontract:

1. **Building Trades:** At least 10% of the total dollar amount of all Section 3 covered contracts or purchase orders for building trades work, maintenance, repair, modernization, or development of public housing to Section 3 business concerns.
2. **Other contracts (Non-building trades):** For other Section 3 covered contracts or purchase orders that are not building trades work covered above, the goal is to subcontract at least 3% of the total dollar amount to Section 3 business concerns. This includes professional service contracts such as legal, architects, engineers, consultants, or any other contract or purchase order for services that are not building trades.

Self-Certification of Section 3 Residents and Section 3 Business Concerns

In order to receive preference as a Section 3 resident or Section 3 business concern, the resident or business must self-certify that they meet the eligibility requirements. (see Section 3 Form #4 and Section 3 Form #2, respectively).

Contractor Responsibilities in meeting Section 3 goals

All contractors are held to the same Section 3 compliance requirements of LMHA as stated in its Section 3 policy. The LMHA Section 3 policy states that when the Section 3 regulation is triggered by a need for new hires or by a need to subcontract a portion of the work, every effort within the contractor's disposal must be made to the greatest extent feasible to direct all available employments, training, and contracting opportunities to Section 3 residents.

Contractors must also proactively facilitate compliance with Section 3 subject to the definition of a Section 3 covered contract. Contractors will have fulfilled their responsibility when they can provide evidence that the following have occurred in the case of hiring, contracting, solicitation and recruitment effort:

1. Extra or greater efforts in notifying Section 3 residents of opportunities through posting job openings in the offices of procurement, in the local media and on the LMHA website;
2. Conveying that the hiring/contract work is a Section 3 Covered opportunity in any advertisement for bids / proposals by placing the following language in each advertisement/public notice and website "This job is covered under the requirements of Section 3 of the HUD Act of 1968".
3. Notifying subcontractors in each pre-bid meeting of the Section 3 requirements.
4. Providing "Section 3 Resident Self-Certification Forms" for employment at the contractor/subcontractor business offices.
5. Encouraging the training of Section 3 residents by the subcontractors.
6. Facilitating an opportunity or job fair for the contractor and subcontractor to meet interested Section 3 residents for possible employment.
7. Documenting actions taken to comply with Section 3 requirements including all results and impediments using the LMHA prescribed mechanism or form.
8. Posting all job sites funded by LMHA with a location or phone number of whom and how to apply for any opportunities for employment, training or contracting. The sign should be no smaller than a 24" x 24" and should specifically read "This project is covered under Section 3 of the HUD Act of 1968 which requires that any new opportunities be directed to low- and very low income persons in the community. Please contact _____ at _____ for information on any Employments, Contracting and Subcontracting opportunities.
9. Distributing or posting flyers advertising positions to be filled.
10. Notify the local workforce development board about open positions.

Other Economic Opportunities to achieve Contractor Compliance

A contractor may provide one or more of the following “other economic opportunities” under this section:

1. **Training and Employment:** A detailed plan for training should be described in a written narrative and provided for LMHA review. Contractors seeking to provide training may identify a qualified training firm that has the proper experience working with low-income and public housing residents in particular. The contractor will procure the training/firm individual at its expense to provide direct recruitment and solicitation to LMHA residents for employment related training. Verification of the agreement between the contractor and training firm/individual must be provided to LMHA’s Section 3 Compliance Coordinator.
2. **Other Results-Oriented Economic Opportunities:** Other Results -Oriented Economic Opportunities are programs designed to provide economic opportunities to Section 3 residents, including, but not limited to: Section 3 joint ventures, teaming agreements or combination of other economic opportunities. A contractor must submit to LMHA a plan detailing these “Other Results-Oriented Economic Opportunities” and receive an approval prior to implementation.

PART VI. OTHER REQUIREMENTS

Outreach Plan:

Check all methods you will employ to hire Section 3 residents. Posting the position in community sources that are generally available to low-income residents and the general public is a standard requirement.

Check at least three (3) other methods you will employ:

- The local community newspaper(s)
- The most widely distributed newspaper
- LMHA website
- LMHA properties management offices in a conspicuous location
- Homeless service agencies
- Local HUD-supported housing communities
- Local Workforce Board
- Other locations as approved by LMHA
- Email blast residents on LMHA Section 3 Resident List
- Post notices on social media controlled by LMHA

Documentation of “To the Greatest Extent Feasible”:

The contractor will work with LMHA Section 3 Coordinator and other designated staff to notify residents of any opportunities afforded under the contract. The contractor will collaborate with LMHA by giving preference of any employment opportunities to the Section 3 persons or business concerns.

The contractor and subcontractor(s) shall recruit or attempt to recruit from LMHA’s Section 3 area, based on the priority order in LMHA’s Section 3 Plan, the necessary number of low-income and very low-income residents through documentation of their efforts and of any impediments to comply. LMHA’s contractors and subcontractors shall:

1. Maintain a list of all low-income area residents who have applied, either on their own or from referral from any source, and employ such person if otherwise qualified and if a vacancy exists.
2. Review and consider the Section 3 Resident List provided by LMHA prior to making new hires. If those hired are not Section 3 residents, or are in a lower preference category, the Contractor must explain in writing the qualifications that those on Section 3 Resident List lacked, or other reason for non-hire (e.g., job offer declined).
3. Provide evidence that the contractor has not filled vacant employment positions in its workforce immediately prior to undertaking work in an attempt to circumvent Section 3 regulations.

Review and determine if low-income and very low-income residents meet minimum hiring qualifications. Applicants meeting such minimum qualifications, but not hired due to lack of job openings or for other operations reasons, will be placed on a priority-hiring list and offered positions upon the occurrence of the first available appropriate job opening.

Recordkeeping:

The contractor shall maintain on file all records related to employment and job training of low-income and very low-income residents or other such records, advertisements, legal notices, brochures, flyers, publications, assurances of compliance from subcontractors, etc., in connection with this contract. If there is a report that is needed as part of the submission, you agree to provide it timely. The contractor shall, upon request, provide such records or copies of records to LMHA, its staff, or agents.

Reports:

The contractor shall provide reports as required in connection with the contractor specifications. All certified and regular payrolls shall clearly detail which employees qualify under Section 3.

Certification:

The contractor will certify that any vacant employment positions, including training positions, that filled...

- (1) after the contractor is selected but before the contract is executed; and
- (2) with persons other than Section 3 residents

...were not filled to circumvent the subcontractor's obligations under 24 CFR Part 135.

Other Economic Opportunities:

If a contractor has demonstrated that it has no need or plans to subcontract or hire and can demonstrate that it has attempted, to the greatest extent feasible, to hire/contract Section 3 residents and/or contractors, it has fully complied and may move forward and secure non-Section 3 persons or firms.

If a contractor does not trigger the requirements of Section 3 but chooses to offer other economic opportunities such as training, mentoring, or business development for Section 3 residents of LMHA, it may offer to do so in a thorough written plan to the Section 3 Coordinator. These opportunities must be described in a written plan on how the contractor will offer other economic opportunities expressing the outreach, number of persons to be affected, and outcomes.

A contractor that has a need to hire or sub-contract may not use other economic opportunities as a substitute to attempt to meet hiring or contracting goals; the contractor must still demonstrate how it attempted to the greatest extent feasible, to meet the goals.

Grievance and Compliance:

The contractor or sub-contractor hereby acknowledges that they understand that any low-income and very low-income resident of the project area, for him/her or as representatives of persons similarly situated, seeking employment or job training opportunities in the project area, or any eligible business concerns seeking contract opportunities may file a grievance if efforts to the greatest extent feasible were not executed. The grievance must be filed with HUD not later than one hundred eighty (180) calendar days from the date of the action (or omission) upon which the grievance is based.

SECTION 3 CONTRACT COMPLIANCE CURE AND TERMINATION PROCESSES

This language is a component of contract compliance with the work contractors and sub-contractors including developers respond to in LMHA solicitations. The full requirements are provided in the Section 3 Clause found elsewhere in this package or in the HUD forms 5370-C or 5370 C1 as may be applicable.

All contractors claiming a Preference in contracting by meeting any of the three Preference requirements including a Resident Owned Business, Hiring 30% of New Hires and/or Sub-contracting at least 25% of total award to a Section 3 Concern shall maintain that status throughout the life of the contract. Failure to meet this requirement will result in penalties up to and including contract termination. Any contractor triggering the regulation by doing any hiring or contracting once they are awarded the contract through contract execution must comply with the Section 3 requirements by executing the efforts on their Certification and Action Plan in accordance with LMHA Section 3 Action Plan.

LMHA shall execute these remedies to achieve compliance in this order:

- A. Based on the first observation or report of non-compliance with Section 3, the contractor will be sent an e-mail from LMHA notifying them of their non-compliance issue. The contractor will have until the next payroll or 14 calendar days, whichever is lesser to bring the contract into compliance.
- B. If at any time a contractor fails to bring the contract into compliance, LMHA must withhold all future payments until the contract is in compliance.
- C. The contractor shall have up to 15 business days from the most recent notice of non-compliance to meet compliance as a final cure period or justify in writing to LMHA why it cannot meet compliance. LMHA must render a response to the contractor within 10 business days of receipt of its letter of reason for non-compliance. If LMHA deems the cause to be unacceptable, at its option, LMHA can extend the cause period one time for up to 5 days to allow the contractor to identify and secure other compliance options, or
- D. If the contractor fails to take any corrective action to bring the contract into compliance within seven (7) business days from the most recent notice of non-compliance, or LMHA does not accept any of the contractor's corrective plans or justifications for non-compliance, LMHA must terminate the contract immediately. **All funds due to the contractor shall be held** and a financial workout of the agreement shall proceed within 24 hours of termination. The workout is to include a contract deduct equal to the total Section 3 contract violation of opportunities provided to non-Section 3 residents or business because they were not offered according to the contract and regulation award. All remaining funds can be paid out based on work satisfactorily completed per the agreement.

Any contractor claiming to meet Section 3 compliance by committing to hire residents, fund training itself **shall meet compliance within seven (7) calendar days of contract start** or LMHA shall halt all payments to the contractor and its sub-contractors related to the agreement and the actions listed in steps A-D in this Section shall apply.
