Purpose:

The purpose of Section 3 of the Housing and Urban Development of 1968 (12 U.S.C. 1701u) (Section 3) is to ensure that employment and other economic and business opportunities generated by HUD Financial Assistance shall be directed to Lubbock Housing Authority (LHA) Residents and other low- and very low-income persons, particularly those who are recipients of government housing assistance and to business concerns which provide economic opportunities to LHA Residents and other low- and very low-income persons.

General Policy Statement:

It is the declared policy of the Lubbock Housing Authority (LHA) that Equal Employment Opportunities shall be provided for every employee and applicant for employment regardless of race, color, religion, sex, national origin, handicap, or economic status; and, that through the award of contracts to contractors, vendors, and suppliers, that employment and business opportunities be created for residents of LHA properties and other qualified low- and very low income persons residing within the geographical boundaries of City of Lubbock. This policy does not end with the mere prohibition of discriminatory practices by programs receiving HUD financial assistance or contractors, subcontractors, and vendors contracting with LHA. LHA recognizes its obligation as well as the obligation of potential contractors, subcontractors, to develop practical steps to achieve the goals of providing meaningful, full time employment opportunity, as well as business opportunities to LHA residents and other Section 3 eligible persons.

Such obligation shall be demonstrated not merely through inclusion of positive or “best effort” steps, but shall result in a reasonable level of success in the recruitment, employment, and utilization of LHA Residents and other Section 3 eligible persons and businesses in the workforce and subcontracting of work resulting out of the expenditure of HUD funding. The LHA’s Contracting Officer, through official resolution, shall examine and consider a contractor/vendor’s success in providing employment and business opportunities to LHA Residents prior to acting on any proposed contract award.

Numerical Goals for Section 3 Compliance:

Section 3 is a federal statute that expressly encourages, to the maximum extent feasible. To that end, LHA has adopted the following numerical goals for meeting the greatest extent feasible requirement to provide economic opportunities to section 3 Residents and Section 3 Business Concerns in the procurement and awarding of modernization-funded construction, maintenance and professional services contracts:

NUMERICAL GOALS FOR SECTION 3 COMPLIANCE

Areas of Focus (Applies to all contracts)	Numerical Goal
Contractor and Sub-Contractor Hiring (full-time, part-time, temporary, Seasonal) applies to construction and maintenance service contracts.	10%
Contract Awards (applies to Construction contracts).	10%
All other Contracts Awards (i.e., services, and professional services).	3%
These goals apply to all Contractors as well as any Tier Sub-contractor	

Recipients and Contractors may demonstrate compliance with the “greatest extent feasible” requirement of Section 3 by meeting the numerical goals set forth in this Section 3 Program for providing training, employment, and contracting opportunities to Section 3 Residents and Section 3 Business Concerns. Efforts to employ Section 3 Residents to the greatest extent feasible should be made at all job levels.

LHA in its own operations, shall endeavor to achieve the goals of Section 3 and shall provide equal responsibility to its contractors, vendors and suppliers to implement progressive efforts to also attain compliance. In doing so, LHA shall evaluate contractors’ compliance towards achieving the goals of Section 3 and ensure a system of Leveling sanctions against contractor, vendor or supplier for non-compliance.

The numerical goals established above represent minimum numerical targets and all prospective contractors shall be advised and encouraged to seek Section 3 participation to the greatest extent feasible. Any contractor that meets the minimum numerical goals set forth above will be considered to have complied with the Section 3 requirements. Any contractor that does not meet the numerical goals set forth above has the burden of demonstrating why it was not feasible to meet the numerical goals. In the event no competing contractors were successful in meeting the minimum goals set forth above, LHA shall consider documentation provided by the contractor evidencing impediments encountered despite actions taken to comply with the Section 3 requirements. Such evidence shall be subject to the satisfaction of LHA.

All contractors submitting bids/proposals to the Housing Authority shall be required to complete certifications, as appropriate, as acknowledgement of the Section 3 contracting and employment provisions as required by this selection. Such certifications shall be supported with adequate evidence to support representations made. The certifications required to be submitted with the bid/proposal consist of the following:

- h. Certification for business concerns seeking Section 3 preference.
- e. Contractor certification of efforts to fully comply with Employment and training provisions of Section 3.

Prior to the award of any contract, the contractor shall enter into negotiations with LHA for the purpose of incorporating into the contract a provision, to the greatest extent possible, hiring of Public Housing residents or other Section 3 residents to be trained or employed on the contract. Such resulting provision shall obligate the contractor toward the greatest extent possible, achieving the numerical goals listed above and shall be based on a detailed workforce analysis to be compiled by the contractor and submitted to LHA prior to award of contract
