Addition to Scope of Work:

- 1) Add three (3) laundry rooms which total 1,200 sq. ft.
- 2) Add 2nd floor exercise room (located by laundry room) total of 335 sq. ft.
- 3) Remove wall paper in woman's bathroom which will be painted
- 4) Add single stall bathroom on 1st floor/garden level. There is a total number of three (3) bathrooms on the first floor/garden level that need to be painted.

Clarification Regarding Scope of Work:

- 1) The rubber baseboards at the bottom of the walls will be removed by others and installed by others so that the walls can be painted within +/- 2 inches of the floor.
- 2) The wooden handrail and chair rail (the wooden railing that is mounted to the walls) will remain as is, not painted nor varnished.
- 3) There will be one color on the walls (ceiling and pipes will be painted same color as walls). There will be a different color used for the trim than what is on the walls.
