

BID NO. 2019-001-000-50-4430031:

BED BUG REMEDIATION PRE-BID QUESTIONS

ADDENDUM NO. 4

May 1, 2019

This addendum answers the questions asked during the Pre-bid meeting on Thursday 4/18/19.

1. During the meeting, it was stated that if the routine bed bug inspection services were to happen two (2) times per year, the SenSci Volcano Bed Bug Lures would only be changed every six (6) months. One company stated that it is recommended that the lures be changed every 90 days.
 - Answer – On April 23, 2019, **Addendum No. 3** Bed Bug Remediation was submitted to reflect that the number of inspections would increase from 2 times per year to 4 times per year. Quarterly inspections will occur in March, June, September, and December.

2. A question was asked if spraying for bed bugs in the laundry rooms and common areas was part of the Pest Control Contract or the Bed Bug Contract.
 - Answer – All bed bug activity would be performed under the Bed Bug Remediation contract.

Complete the following information and include one (1) copy of Addendum No. 3 with the Form of Bid.
