Questions received:

I understand there is not a bond requirement, however, on the form HUD-5369 #9 please confirm that there is a bid guarantee required? **Yes, a bid guarantee is required.**

Section 3 Compliance on the Section business preference explanation 1.1.2 – If each proposal is under \$200,000 will Section 3 not be required. Please confirm. **That section refers to monies provided under a specific grant provided to agencies under the Housing and Community Development Fund. All the funding we receive for our projects does not fall under this grant and is therefore subjected to Section 3 requirements at a zero-dollar threshold.**

Bid Opening:

**Please note that the public bid opening will be conducted via RingCentral. If you are interested in participating, please email Colene Orsini at [corsini@jaxha.org](mailto:corsini@jaxha.org) to receive the meeting request that includes the login information.**
