

Quotations for Small Purchases (QSP) No. Q22001 – Air Monitoring & Clearance Testing for the 1314 North 44th
 Avenue Piping Project (B21023)
 Unit Pricing Sheet-REVISED 1-7-22

Quantity	U/M	Description	Unit Pricing
1	Day	Daily unit price to conduct air monitoring and clearance testing as specified (this daily unit pricing may be used to either increase or decrease the number of days of air monitoring and clearance testing; based on 70 days as specified in the scope)	
1	Each	Unit price to conduct one clearance test for one resident unit (this unit pricing may be used within a deduct change order as part of the contract with the GC for B21023. The GC will be responsible for correcting and paying for any failed clearance tests)	
1	Hour	Hourly rate for air monitoring & clearance testing during asbestos abatement if contractor does not work on site for a full 8-hour work day (i.e. inclusive of labor, expenses, supplies, analysis, trip charges, reporting, etc); this rate may be used to subtract from the daily unit price.	
1	Hour	Hourly rate for air monitoring & clearance testing during asbestos abatement for fully burdened overtime beyond an 8-hour work day (i.e. inclusive of labor, expenses, supplies, analysis, trip charges, reporting, etc).
