

PUBLIC BID OPENING TABULATION

This Public Bid Opening is being conducted as detailed within Section 6.9 of HUD Procurement Handbook 7460.8 REV 2. Accordingly, during this public bid opening, we will only read the name of each bidder and the following listed amounts each bidder proposed. A fully executed copy of this Tabulation form will be available to the public at the conclusion of this public bid opening. No bids submitted will be made available for public inspection until after the Agency has completed award (e.g. executed a contract with the successful bidder). Therefore, the following noted "apparent low bidder" is NOT to be considered the successful bidder until the Agency formally announces such. The Agency will, after this public bid opening, fully investigate all bids for responsiveness and will conduct its due diligence to ensure that the eventual successful bidder is responsible. All bidders will be informed in writing by written Notice if the following noted apparent low bidder (or any other bidder) is found to be non-responsive or not responsible.
